Verification Worksheet **2021-2022**

Your 2021-22 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document along with any other required documents. If there are discrepancies, your FAFSA information may need to be corrected. You and your spouse (if applicable) must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact Graduate Financial Aid so that your financial aid will not be delayed. **Return this form to Graduate Financial Aid via: Fax 203-582-4061 or mail.**
