## Advising

### UNDERGRADUATE STUDENTS

All undergraduate students should review their course selections with their academic advisor. The advisor's name is listed in Student Planning.

### GRADUATE STUDENTS

Matriculated students who are eligible to preregister and need advisement on course selection should contact their program director.

## J-Term and Summer Course Load for Undergraduate Students

The usual load for undergraduate students in the condensed January term (J-term) is 3 or 4 credits. In the summer I and/or Summer II sessions, the usual load for undergraduate students is one to three courses (3-10 credits total) per session. Some academic programs may limit the number of credits that may be taken in J-Term and/or the summer sessions. When determining the number of credits for which they plan to register, students should consider the rigor of their selected coursework, their history of academic success, work and other personal obligations, and other factors that may impact a student's academic life.

## Purchase Textbooks

Once registration is complete, textbooks may be purchased online at [the Quinnipiac Bookstore](#)

## Not Returning

Students who do not intend to return to Quinnipiac, should complete a total [University withdrawal form](#) or a [Leave of Absence form](#)
