Federal Work-Study

A few points about FWS at Quinnipiac University:

- Accepting FWS is not a binding contract for employment.
- FWS employment is an opportunity to build your resume.
- FWS employment allows you to learn all the offices on campus and meet new students.
- FWS is an opportunity to earn pocket money, **but it does not reduce the balance due.**
- Students can begin applying for student employment as early as this summer!

How To Meet The Balance Due

- **Savings**
- **Educational Savings Plans:**
 - Check with your plan for payment options and what are eligible expenses.
 - Check the growth at which the plan is growing compared to interest rates.
- **Payment plans** allow students and families to make monthly payments directly to the schools.
- **Educational Loans:**
 - Federal Direct Student Loans
 - Federal Direct PLUS Loan – only in parent’s name
 - Private Loans – available for parents and students but students will need credit-worthy cosigner
- **Other:**
 - **Outside scholarships**
 - VA Educational Benefits
 - Employer Tuition Benefits

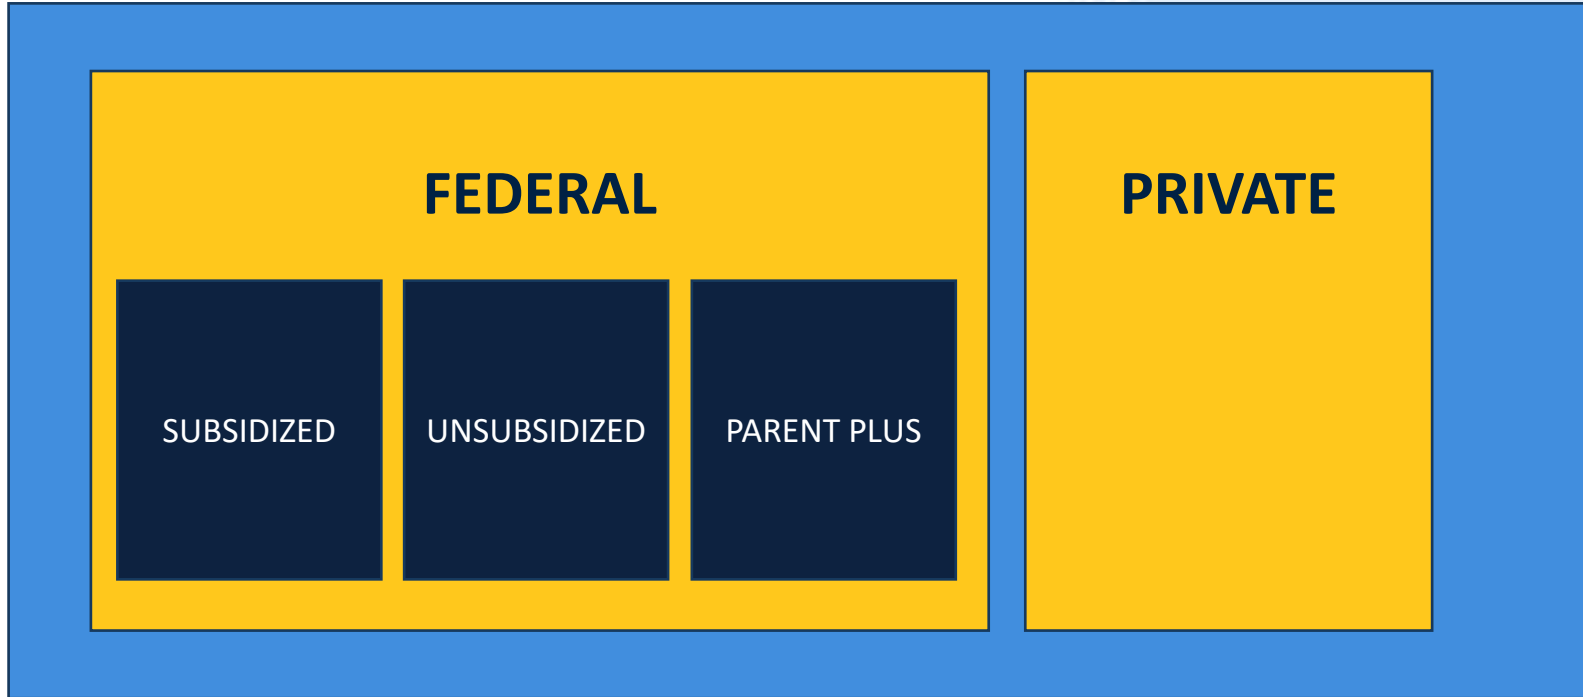

Responsible Borrowing

- ✓ Before taking out student loans, utilize all resources including payment plans.
- ✓ Conservative borrowing is always recommended but you can borrow to reimburse yourself for out-of-pocket expenses such as books and supplies.
- ✓ Federal Loans will give you the option to begin payments now or 6 months after you graduate or cease to be enrolled at least ½ time.
- ✓ Private lenders will have varying interest rates and repayment schedules. Visit www.elmselect.com for some historically used lenders.
- ✓ Making payments while in school will save on accrued interest.

Gold <i>Default plan for resident students</i>	This dining plan is the default plan for residential students and is for students who eat a couple of meals per day in the dining halls but also enjoy ordering food for delivery, going off-campus to local restaurants or who visit home regularly. The Gold Plan is ideal if you believe in making daily meals a real experience.	\$2,510	\$5,020
Platinum	This mid-level plan is designed for students to eat most of their meals on campus and occasionally dine off-campus.	\$2,780	\$5,560
Platinum+	This plan is designed for the frequent diner who dines off-campus rarely.	\$3,405	\$6,810
Diamond	Our most hearty plan, the Diamond Plan, is for students who eat three or more generous meals per day and snacks every day in our dining halls.
