

Quinnipiac

UNIVERSITY

Biennial Review of Alcohol and Other Drug Programs Fall 2024 to Spring 2026

Prepared by the Office of Student Conduct and Community Standards

July 2026

Introduction

Biennial Review of Quinnipiac University Alcohol and Other Drug Programs – Fall 2024 to Spring 2026

The Department of Education requires institutions to conduct an internal biennial review every 2 academic years. The purpose of the biennial review is (1) to determine the effectiveness of, and to implement any needed changes to, the AOD prevention program and (2) to ensure that campuses enforce disciplinary sanctions for violating standards of conduct. [Safe Supportive Learning](#)

The biennial review also must include a determination as to:

- The number of drug- and alcohol-related violations and fatalities occurring on the campus or as part of any activities that are reported to campus officials; and
- The number and types of sanctions the IHE imposes on students or employees as a result of such violations or fatalities.

In addition to the biennial review, institutions are required to send formal communications to the community in compliance with the Drug-Free Schools and Campuses Regulations (34 CFR Part 86) of the Drug-Free Schools and Communities Act (DFSCA). The purpose of the communication is (1) To certify that it has implemented programs to prevent the abuse of alcohol and use or distribution of illicit drugs by students and employees, both on its premises and as a part of any of its activities. At a minimum, each institution of higher education must annually distribute the following in writing to all students and employees:

- Standards of conduct that clearly prohibit the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees;
- A description of the legal sanctions under local, state, or federal law for the unlawful possession or distribution of illicit drugs and alcohol;
- A description of any drug or alcohol counseling, treatment; or rehabilitation or re-entry programs that are available to employees or students; and
- A clear statement that the institution will impose sanctions on students and employees and a description of those sanctions, up to and including expulsion or termination of employment and referral for prosecution, for violations of the standards of conduct.

In acknowledgment of its legal obligation to conduct a biennial review in compliance with the Drug-Free Schools and Communities Act, Quinnipiac University authorized an administrative review to be conducted to determine if the institution fulfills the requirements of the previously mentioned federal regulations.

The vice president of student affairs and dean of students or designee is responsible for completing the biennial review. Policies and procedures for students and employees regarding standards of conduct involving alcohol and drugs are available in both the Student Handbook and Employee Handbook.

Alcohol and Other Drug Policy Inventory

Population	Distribution Method
Students	Student Handbook, presentations during first-year and transfer student orientation, residential floor meetings, annual policy email
Residential Students	Student Handbook, presentations during first-year and transfer student orientation, residential floor meetings, annual policy email
Student Organizations	Student Handbook, Student Engagement trainings
Fraternities and Sororities	Student Handbook, Foundations (New Member Education Program), Officer Training Academy, Social Event Manager Training, Individual Chapter Programs
Faculty and Staff	MyQ Portal - Human Resources Policy Manual

Alcohol and Other Drug Program Inventory Fall 2024 to Spring 2026

*All programs are free to students, faculty, and staff

Event Title	Hosts	Description
Village Crawl (Mocktail Event)	Residential Life	Educated participants on alcohol awareness through a "Village Crawl" experience, highlighting fun, social, and alcohol-free beverage alternatives by featuring a dedicated mocktail station alongside interactive activity.
Battle of Bobcat Way (Alcohol Awareness Station)	Residential Life	Participants were able to identify risks and consequences associated with alcohol use. The program demonstrated increased awareness of how alcohol use can impact their health, decision-making, and overall well-being.
Halloween Safety	Residential Life	Participants were able to identify ways to remain safe during Halloween (buddy system, alcohol consumption, etc.)
Halloween Trivia and Safety	Residential Life	Participants were tested on their knowledge of Halloween, History, and ability to remain safe while participating in potential risky behavior.
Mocktails & Milestones	Residential Life	Participants sampled mocktails, explored alcohol-free social options, and learned safer, healthier ways to engage in college social life.

Spring Break Travel & Safety Tips	Residential Life	Participants were able to learn to stick with their friends, receive a “what to pack/not to pack” list, and tips for staying safe while traveling (drinking, sunscreen, hydrating, buddy system, awareness, etc.)
Paint & Sip Mocktails	Residential Life	Through creating and sampling mocktails, participants enjoyed alcohol-free beverage options, strategies for participating in social settings without alcohol, and gain awareness of safer, healthier ways to engage in college social life while painting new glasses for recreating the mocktails they enjoy at this program.
Mario Kart and Drunk Goggles	Residential Life	Interactive program that uses impairment-simulation goggles during a Mario Kart challenge to demonstrate the effects of alcohol on coordination and reaction time. The activity encourages participants to reflect on how impairment can impact decision-making and safety.
Trivia and Mocktails	Residential Life	Interactive program where participants enjoy alcohol-free mocktails while participating in a trivia competition. The event promotes social connection and engagement in a safe, substance-free environment.
THC 101	Office of Student Conduct and Community Standards	Sanction module assigned to students found responsible for violating drug policy related to marijuana.
Under the Influence	Office of Student Conduct and Community Standards	Sanction module assigned to students found responsible for violating alcohol policies.
Defend the Den Trivia Night – Bystander Intervention Awareness	Office of Student Conduct and Community Standards	The program was designed to promote bystander intervention education and encourage student engagement through interactive learning.

Faded Facts Tabling Series	Office of Student Conduct and Community Standards, Residential Life, and Public Safety	This interactive educational series utilized experiential learning strategies, including impairment goggles, interactive activities, and Blood Alcohol Concentration (BAC) education, to increase student understanding of substance use risks and promote informed decision-making.
Wellness Wednesday – Alcohol Awareness Tabling Event	Office of Student Conduct and Community Standards, Care and Wellness	Tabling events focused on alcohol awareness. The Office provided educational resources to students on risk reduction strategies and responsible decision-making related to alcohol and marijuana use.
Wellness Wednesday Collaboration (THC and Edible Cannabis Awareness Tabling Event)	Office of Student Conduct and Community Standards	Partnership with campus wellness partners to promote harm reduction education.
DEA Prescription Take Back Day	Public Safety	Public Safety provided a drop off location to dispose of unused or expired medications. The program helps prevent prescription drug misuse and promotes proper medication disposal.
Common Hour Alcohol Awareness Program	Care and Wellness	Provided Promoting Responsible Action informational flyers.

Institutional Community Resources

CARE: The Community, Assessment, Response and Evaluation (CARE) Team is committed to the safety and well-being of our community through proactive, coordinated, and deliberate approaches by identifying, assessing, managing, and reducing any student interpersonal or behavioral concerns. The CARE Team is a partnership of university offices supported by the Office of the Dean of Students.

By partnering with members of the Quinnipiac University community, the CARE team works to promote student well-being and success. CARE referrals are submitted by faculty, staff, students, and community members. Referrals range in topics including helping a student during difficult times such as the passing of a loved one, when a student needs support for their physical, emotional, mental, spiritual, or financial health, and/or when experiencing social challenges with roommates, friends, and/or peers.

Counseling Services: This office provides access to care for students who may be seeking help for emotional distress. The goal is to assist students through brief therapy while addressing concerns that may be negatively impacting academic performance or the student's quality of life within the university community. Counselors and a part-time psychiatrist are a resource for students struggling with stress,

anxiety, depression, relationship problems, eating disorders and alcohol or drug abuse. Other common problems include difficulty making decisions, low self-esteem, procrastination, or the stress of leaving home while adjusting to college life.

Counseling staff members also are available to assist any student who has been affected through physical or sexual violence or who may be grieving the loss of a loved one.

The Office of Student Conduct and Community Standards: The Office of Student Conduct and Community Standards promotes a safe and inclusive university environment by helping students and student organizations to engage positively with the university community, define their values, and demonstrate responsible behavior on and off campus.

Using the Student Code of Conduct as a foundation for community standards, the office provides resources and education to students and their families, and staff and faculty. The Director of the Office of Student Conduct and Community Standards, along with other conduct professionals, helps students think critically about their behavior and the effect it is likely to have on the community, identify the impact of their personal decisions, and define their personal values.

The Office of Student Conduct and Community Standards:

- Advises and assists parties involved in the student conduct process
- Trains and advises student conduct professionals and student leaders
- Reviews decisions of the code of conduct process
- Maintains all student disciplinary records
- Collects and disseminates research and analysis concerning student conduct

Human Resources: This office offers support to faculty and staff through the Employee Assistance Program. The program provides confidential and voluntary counseling referral services free of charge to all faculty and staff at the institution and members of their family household.

Employee Assistance Program	2024–2025	2025–2026

The Department of Public Safety: The Quinncipiac University

Department of Public Safety is committed to protecting and preserving the quality of life for all members of the Quinncipiac University community by providing enforcement, prevention, intervention, and education through the delivery of professional campus safety services. Public Safety Officers carry out their duties with P.R.I.D.E: professionalism, responsibility, integrity, dedication, and excellence.

The Department of Public Safety comprises 65 staff members, including 52 officers, 6 patrol sergeants, and 7 administrative personnel most of whom have substantial prior law enforcement experience with federal, state and local law enforcement agencies. The officers are trained in emergency first aid and respond to all medical emergencies with medical and fire department personnel. In this role, Public Safety Officers are often the first responders to calls involving intoxicated students. Public Safety documents incidents involving intoxicated students and routinely refers such incidents to the Office of Student Conduct and

Community Standards, the CARE team, and to Health Services. Public Safety officers are key partners with Health Services, Residential Life and Student Affairs, in ensuring incidents involving students engaging in the unsafe use or abuse of alcohol and/or drugs, are cared for, counseled, and educated to the consequences of substance abuse.

Public Safety officers engage in consistent and vigilant patrols of shuttle stops, parking lots, and ride share lots on evenings and weekends. Shuttle stops, parking lots and the Hogan Lot, where ride share vehicles pick up and drop off students traveling off campus, are subject to enhanced patrols for students who are dangerously intoxicated and may require medical assistance and/or behavioral intervention. Self-reported alcohol abuse disclosed by students in surveys routinely highlights the ease with which underage student drinkers can obtain alcohol off campus. Accordingly, Public Safety maintains relationships with local law enforcement agencies to identify establishments serving alcohol to underage Quinnipiac University students with an aim of pursuing law enforcement and code enforcement action in the respective jurisdictions.

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, commonly known as the Clery Act, the Department of Public Safety maintains daily crime logs. The crime logs, which are available online to the Quinnipiac University community and to the public, include reports of liquor and drug law violations reported to the Department of Public Safety and Student Affairs.

The Department of Public Safety also generates the Annual Security and Fire Safety Reports (ASFSRs) for the Mt. Carmel, York Hill, and North Haven campuses on an annual basis. The ASFSR is also publicly available online. The ASFSR provides a comprehensive summary of crime statistics, security policies and safety programs as required by the Clery Act.

The ASFSR provides a calendar year comparison of drug and alcohol arrests and disciplinary referrals to the Office of Student Conduct and Community Standards. The 2026 ASFSR, which will report upon drug and alcohol disciplinary referrals and arrests for the 2025 calendar year, will be available online October 2026. The 2025 ASFSR, which reports the calendar year 2024 drug and alcohol statistics for the Quinnipiac University campuses, includes historical statistics for 2024, 2023 and 2022. The Annual Campus Security and Fire Safety Reports for the Mount Carmel and North Haven campus properties can be found here: [Public Safety](#)

Institutional Research and Culture

Beginning fall 2024, Quinnipiac University assigned the following 3rd Millennium Classrooms prevention modules to all incoming students: Alcohol Wise, Cannabis Wise, Other Drugs. These modules are designed as educational prevention modules for incoming students. The following data represents the number of incoming students that completed the Alcohol Wise, Cannabis Wise, and Other Drugs prevention modules.

3 rd Millennium Prevention Modules	Summer 2024	Summer 2025
Alcohol Wise, Cannabis Wise, and Other Drugs	1, 209	1, 195

Students also receive these modules as educational sanctions and outcomes through the student conduct process. The following data reflects the number of times each prevention module was assigned as an educational sanction in response to student conduct violations during the reporting period.

Educational Sanctions Assigned	Fall 2024 – Spring 2025	Fall 2025 – Spring 2026
Under the Influence	98	92
THC 101	24	20

The university continues to see positive outcomes from its Student Conduct Process. During the 2024–2025 academic year, students found responsible for violating university policy had a low recidivism rate, with only 4.96% found responsible for violating the same policy a second time.

Prevention Training for Professional and Paraprofessional Staff

Annually, members of our university community are trained on alcohol and other drug policies by staff within the Office of Student Conduct and Community Standards and/or Dean of Students. These topics include policy enforcement, identifying intoxicated students, treating intoxicated students, and Quinnipiac University student trends with alcohol use. Groups that are trained, as a whole or in part, may include but are not limited to:

- Office of Student Engagement – Orientation Leaders
- Hartford Healthcare - Behavioral health and student health services staff
- Department of Public Safety – Public Safety Officers, QU EMS
- Office of Residential Life – Residence Hall Directors, Resident Assistants
- Office of Fraternity & Sorority Life – Social Event Managers, Chapter Executive Board Members, Chapter Social Chairs
- Faculty Senate – Student Affairs Committee

Enforcement

The Department of Public Safety and Office of Residential Life are the two departments primarily responsible for documenting policy violations on campus. The university also receives referrals from the local police, most frequently from New Haven Police, and Hamden Police. Law enforcement referrals are sent through the Quinnipiac Department of Public Safety.

The Office of Student Conduct and Community Standards oversees distribution and management of student conduct cases.

There are several Student Affairs staff members who hear conduct meetings, most often from the Office of Student Conduct and Community Standards and the Department of Residential Life.

The following data represents the number of students found responsible for Alcohol-related policy violation:

Policy Description	Fall 2024 – Spring 2025	Fall 2025 – Spring 2026
Alcohol Underage Possession/Use	143	129
Alcohol Distribution	1	1
Intoxicated Behaviors	19	14
DUI	0	0
Excessive Quantities/Common Sources	7	5
Large Gatherings	5	0
Drinking Games/Paraphernalia	62	63

The following data represents the number of students found responsible for Drug-related policy violations that occurred in each academic year during this reporting period:

Policy Description	Fall 2024 – Spring 2025	Fall 2025 – Spring 2026
Drug Possession/Use	37	33
Drug Distribution	0	0
Drug Paraphernalia Possession/Use	42	45
Abuse of Prescription Medication	1	1

Sanctions

The data below represents the total number of corresponding Alcohol and Other Drug-related sanctions as a result of the above policy violations by year and by policy violation:

Fall 2024 - Spring 2025:

Charge/Issue	Number of times used	Sanctions/Actions
1. 1. Underage Possession	218	Conduct Probation - 134 Under the Influence – 126 Conduct Warning - 3 Underage Possession/Consumption - 1st Violation Fine - 111 Underage Possession/Consumption - 2nd Violation Fine – 9 Underage Possession/Consumption: 3 rd violation Fine - 1

		Reflection Paper: Ethical Decisions and Actions - 7 Deferred Residence Hall Removal - 2 Action Plan for Personal Development - 6 Possession of Alcohol/Drug Paraphernalia Fine - 7 Deferred Suspension - 2 Required Meeting - 1 Nicotine 101 - 3 Conflict Wise - 3 Parent/Guardian Phone Call – 1 Administrative Move – 1 Apology letter – 1 Controlled Substance Use/Possession: 1st violation – 10 Controlled Substance Use/Possession: 3rd violation – 1 Resitution – 4 Suspension – 1 THC 101 - 15
1. 3. Intoxicated Behaviors	28	Conduct Probation - 15 Under the Influence - 17 Underage Possession/Consumption: 1st Violation Fine - 13 Deferred Suspension - 1 Action Plan for Personal Development – 1 Administrative Move - 1 Deferred Residence Hall Removal – 2 Deferred Suspension - 1 Administrative Move - 1 Reflection Paper: Ethical Decisions and Actions - 1 Conflict Wise - 1 Controlled Substances Use/Possession: 1st Violation Fine – 1 Resitution - 1 THC 101 – 2
1. 5. Large Gatherings	16	Conduct Probation - 5

1. 6. Drinking Games/Paraphernalia	134	Conduct Probation – 35 Conduct Warning – 25 Deferred Residence Hall Removal – 1 Deferred Suspension - 1 Under the Influence - 32 Possession of Alcohol/Drug Paraphernalia - 20 THC 101 - 7 Reflection Paper: Ethical Decisions and Actions – 1 Residence Hall Removal Permanent – 1 Resitution - 3 Action Plan for Personal Development – 3 Apology - 1 Nicotine 101 - 2 Controlled Substances Use/Possession: 1 st Violation Fine – 5 Controlled Substances Use/Possession: 2 nd Violation – 1 Parent/Guardian Phone Call - 1 Underage Possession/Consumption: 1 st Violation Fine – 26 Underage Possession/Consumption: 2 nd Violation Fine – 1 Underage Possession/Consumption: 3 rd Violation Fine – 1
---------------------------------------	-----	---

2. 1. Controlled Substances Possession/Use	59	Conduct Probation - 34 THC 101 - 30 Under the Influence - 14 Underage Possession/Consumption: 1st Violation Fine - 10 Controlled Substances Use/Possession: 1st Violation Fine - 24 Underage Possession/Consumption: 2nd Violation Fine - 2 Action Plan for Personal Development – 5 Additional Sanctions/Actions - 1 Deferred Suspension - 1 Conduct Warning - 1 Controlled Substances Use/Possession: 2nd Violation Fine - 4 Reflection Paper: Ethical Decisions and Actions - 1 Residence Hall Removal: Permanent – 1 Possession of Alcohol/Drug Paraphernalia - 5 Paper - 1 Nicotine 101 - 2 Restitution - 2
2. 2. Controlled Substances Sale/Manufacture/Intent to Sell	1	Action Plan for Personal Development - 1 Deferred Suspension - 1 THC 101 - 1 Residence Hall Removal: Permanent - 1 Controlled Substances Use/Possession: 1st Violation Fine - 1 Underage Possession/Consumption: 1st Violation Fine - 1

2. 3. Controlled Substances Paraphernalia	71	Conduct Probation - 29 THC 101 - 22 Controlled Substances Use/Possession: 1 st Violation Fine - 15 Underage Possession/Consumption: 1 st Violation Fine - 10 Under the Influence - 13 Underage Possession/Consumption: 2 nd Violation Fine - 5 Action Plan for Personal Development - 5 Conduct Warning - 10 Deferred Suspension - 2 Paper - 1 Controlled Substances Use/Possession: 2 nd Violation Fine - 2 Nicotine 101 - 3 Reflection Paper: Ethical Decisions and Actions - 2 Residence Hall Removal: Permanent - 2 Possession of Alcohol/Drug Paraphernalia - 18 Restitution - 5 Suspension - 1
2. 4. Controlled Substances Prescription Medication	1	Deferred Suspension - 1 THC 101 - 1 Residence Hall Removal: Permanent - 1 Action Plan for Personal Development - 1 Controlled Substances Use/Possession - 1 st Violation Fine – 1 Underage Possession/Consumption: 1 st Violation - 1
1. 2. Alcohol Distribution	1	Conduct Probation - 1
1. 4. Excessive Quantities/Common Sources	18	Conduct Probation - 7 Under the Influence - 4 Underage Possession/Consumption: 1 st Violation Fine - 4 Apology letter –1 Possession of Alcohol /Drug Paraphernalia - 1

Fall 2025 – Spring 2026:

Charge/Issue	Number of times used	Sanctions/Actions
1. 1. Underage Possession	192	Conduct Probation - 116 Under the Influence - 100 Underage Possession/Consumption: 1st Violation Fine - 94 Conduct Warning - 4 Reflection Paper: Ethical Decisions and Actions - 4 Possession of Alcohol/Drug Paraphernalia - 2 Paper - 2 Action Plan for Personal Development - 11 Deferred Residence Hall Removal - 5 Underage Possession/Consumption: 2nd Violation Fine - 10 Conflict Wise - 1 Deferred Suspension - 4 Restitution - 3 Apology Letter - 9 Administrative Move - 1 Residence Hall/Campus Restriction - 1 Residence Hall Removal: Temporary - 3 Nicotine 101 - 1 Underage Possession/Consumption: 3rd Violation Fine – 1 Controlled Substances Use/Possession: 1st Violation Fine – 9 Controlled Substances Use/Possession: 2nd Violation Fine - 1 THC 101 – 9 Additional Sanction / Actions - 1
1. 2. Alcohol Distribution	1	Conduct Probation - 1 Under the Influence - 1 Underage Possession/Consumption: 1st Violation Fine - 1

1. 3. Intoxicated Behaviors	24	Under the Influence - 7 Conduct Probation - 11 Underage Possession/Consumption: 1st Violation Fine - 5 Deferred Residence Hall Removal - 1 Deferred Suspension - 1 Underage Possession/Consumption: 2nd Violation Fine - 4 Apology Letter - 1 Reflection Paper: Ethical Decisions and Actions - 1 Restitution – 1 Action Plan for Personal Development - 4 Residence Hall Removal: Temporary - 1 Administrative Move - 1 Conduct Warning - 1 THC 101 – 1 Additional Sanction / Actions - 1
1. 4. Excessive Quantities/Common Sources	5	Conduct Warning – 1 Deferred Residence Hall Removal - 4
1. 5. Large Gatherings	9	0
1. 6. Drinking Games/Paraphernalia	119	Conduct Probation - 26 Conduct Warning - 32 Under the Influence - 23 Possession of Alcohol/Drug Paraphernalia - 24 Underage Possession/Consumption: 1st Violation Fine - 24 Paper - 3 THC 101 - 2 Controlled Substances Use/Possession: 1st Violation Fine - 2 Action Plan for Personal Development - 5 Apology Letter - 4 Nicotine 101 - 1 Underage Possession/Consumption: 2nd Violation Fine – 4 Deferred Residence Hall Removal – 1 Deferred Suspension – 2 Residence Hall Removal: Temporary - 1

2. 1. Controlled Substances Possession/Use	56	Conduct Probation - 27 THC 101 - 24 Controlled Substances Use/Possession: 1st Violation Fine - 23 Reflection Paper: Ethical Decisions and Actions - 2 Possession of Alcohol/Drug Paraphernalia - 3 Action Plan for Personal Development - 4 Conduct Warning - 2 Deferred Residence Hall Removal - 6 Deferred Suspension - 2 Conflict Wise - 1 Nicotine 101 - 3 Controlled Substances Use/Possession: 2nd Violation Fine – 5 Administrative Move – 2 Required Meeting – 1 Residence Hall/Campus Restriction – 3 Restitution – 3 Under the Influence – 8 Underage Possession/Consumption: 1st Violation Fine – 8 Underage Possession/Consumption: 3rd Violation Fine - 1
--	----	---

2. 3. Controlled Substances Paraphernalia	67	Conduct Probation - 28 THC 101 - 22 Controlled Substances Use/Possession: 1 st Violation Fine - 15 Possession of Alcohol/Drug Paraphernalia - 29 Reflection Paper: Ethical Decisions and Actions - 2 Conduct Warning - 10 Action Plan for Personal Development - 5 Paper – 1 Under the Influence – 13 Underage Possession/Consumption: 1 st Violation Fine – 10 Underage Possession/Consumption: 2 nd Violation - 5 Suspension - 1 Deferred Suspension - 2 Nicotine 101 - 3 Residence Hall Removal: Permanent – 2 Controlled Substances Use/Possession: 2 nd Violation Fine – 2 Restitution - 5
5. 7. DUI	1	0
2. 2. Controlled Substances Sale/Manufacture/Intent to Sell	0	0

Students who are too intoxicated to remain on campus are sent to the emergency room. Students requiring medical transport to the hospital attend a series of meetings with university officials. During the transport, a staff member or public safety officer notifies the student's emergency contact immediately. Following a student's discharge from the hospital, a staff member from the Office of the Dean of Students schedules an educational or conduct meeting to discuss the circumstances surrounding the incident and provide appropriate support, resources, and follow up.

The data below represents the total number of students transported to the emergency department for alcohol or other drug-related intoxication for each year during the reporting period.

	2024-2025	2025-2026
Alcohol/Other Drug Transport	22	31

The Office of Student Conduct and Community Standards in coordination with the Office of Campus Life holds student organizations accountable for any violations regarding alcohol or other drugs. These organizations may include but are not limited to fraternities and sororities, club sports teams, etc.

	2024-2025	2025-2026
Student Organization Policy Violations	2	2

Summary of Future Recommendations

All student conduct meetings have been conducted in person since Fall 2024, except in circumstances where an in-person meeting was not feasible. The Office of Student Conduct and Community Standards has found that in-person meetings promote greater engagement, accountability, and educational dialogue throughout the conduct process. For the next biennial review period, the following recommendations are proposed:

- Quinnipiac University should consider hiring a full-time Prevention and Wellness Educator within the Division of Student Affairs. This position would provide proactive alcohol and other drug education, promote harm reduction strategies, and facilitate post-incident educational conduct meetings for students involved in policy violations.
- Quinnipiac University should leverage the resources and expertise of Hartford Healthcare to further advance prevention efforts at the university.
- Conduct data consistently demonstrates that first year and sophomore students account for a significant percentage of conduct incidents. The university should develop targeted educational programming for these populations, focusing on decision making, community expectations, alcohol and other drug education, and responsible citizenship.
