Advising

UNDERGRADUATE STUDENTS

Please review your course selections with your academic advisor. Your advisor's name is listed in Student Planning.

GRADUATE STUDENTS

Matriculated students who are eligible to preregister and need advisement on course selection should contact their program director.

J-Term and Summer Registrations Credit Limit

Quinnipiac limits the number of credits for which a student can register during the condensed J-Term and Summer sessions to ensure academic success. In J-term, students may register for up to 4 credits. In the summer I and/or Summer II sessions, students may register for up to 10 credits. Registration for more 4 credit in J-Term or 10 credits in the Summer I or Summer II sessions requires approval via the Variant Procedure process. When determining the number of credits for which they plan to register, students should consider the rigor of their selected coursework, their history of academic success, work and other personal obligations, and other factors that may impact a student's academic life.

Once you have completed registration, your textbooks may be purchased online at:
