

## 2020–21 Dependent Student Verification Worksheet

Your 2020–21 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Title IV Regulation requires confirmation of the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and fax or mail them to the Office of Undergraduate Financial Aid. You may be asked to provide additional information. If you have questions about verification, contact our office so your financial aid will not be delayed.
