## Access

You are now able to access your registration dates and times through Student Planning. Please note that if you have a restriction on your account (e.g., bursar's hold, student health form hold), you must clear your restriction before you can register. For questions regarding your financial account, please contact: bursar's office— (203-582-8650 or 203-582-5239).

## My Progress Report

Your academic evaluation report is now called "My

Progress" in Student Planning. Student Planning is located within Self-Service, found on MyQ links. This report will assist you in planning course selections, registering for course sections and meeting your degree requirements.

## Advising

### *MATRICULATED UNDERGRADUATE STUDENTS*

You must make an appointment to meet with your academic advisor. Your advisor's name is listed in Student Planning. Together, you will review your progress and discuss course options for the Spring 2021 schedule of classes. All matriculated undergraduate students must meet with their advisors or a restriction will be placed on their account, which will prevent them from registering.

### *NON-MATRICULATED PART-TIME STUDENTS*

Non-matriculated students should contact the Office of Part-time Admissions for further information on advisement by calling 203-582-8612.

### *GRADUATE STUDENTS*

Matriculated students who are eligible to preregister and need advisement on course selection should contact their program director.

## J-Term and Summer Registrations Credit Limit

Quinnipiac limits the number of credits for which a student can register during the condensed J-Term and Summer sessions to ensure academic success. In J-term, students may register for up to 4 credits. In the summer I and/or Summer II sessions, students may register for up to 10 credits. Registration for more than 4 credit in J-Term or 10 credits in the Summer I or Summer II sessions requires approval via the Variant Procedure process. When determining the number of credits for which they plan to register, students should consider the rigor of their selected coursework, their history of academic success, work and other personal obligations, and other factors that may impact a student's academic life.

## Purchase Textbooks

Once you have completed registration, your textbooks may be purchased online at: [www.Quinnipiacshop.com](http://www.Quinnipiacshop.com) You can also get textbook information by click on "Book Information & Purchase" in WebAdvisor under your Academic Profile.
