Welcome

Your Invitation to:
Admitted Student Days & Bobcat Visit Days

SEE INSIDE FOR DETAILS!

Quinnipiac UNIVERSITY

QU.edu/admitted
Welcome to Quinnipiac University!

There is something very special about starting college! We believe you are a great match for Quinnipiac, and want to help turn your interests into an education that will be the foundation for your life and career! You’ll be part of a community of 7,000 undergraduates and 2,900 graduate, law and medicine students who have chosen to make Quinnipiac their home. We look forward to greeting you as a Bobcat this fall!

Gregory E. Eichhorn  
Assoc. VP for Admissions/Financial Aid  
greg.eichhorn@qu.edu

Joan Isaac Mohr  
VP for Admissions/Financial Aid  
jimohr@qu.edu

Have a general question?  
Email or Call us:  
Freshmen: admissions@qu.edu  
Transfer students: transfers@qu.edu  
International students: international@qu.edu  
Phone: 203-582-8600

You are Invited!

Just for admitted students, you are invited to join us for:

**Admitted Student Days (ASD)**  
Saturday March 24 or Sunday March 25  
A great way to make that final decision—come talk with faculty, students and staff, ask questions, tour the campus and more!  
Reserve your spot at QU.edu/admitted.

**Bobcat Day Visits**  
Spend the day on campus just as if you are a student at QU: attend class, eat on campus, and see the residence halls and other facilities on select weekdays in February, March and April.  
Go to QU.edu/admitted to register for the day of your choice.

Can’t make one of these days? Arrange any other type of visit such as an individual interview, weekday campus tour, a Saturday Group Information Session, or sign up for our next Open House, Sunday March 4—a great alternative if you're not able to come on the ASD weekend. Go to QU.edu/visit to arrange your campus visit.
Ready to Join the Quinnipiac Community

Confirm your enrollment by paying your deposit fee $200 and housing and security deposit $350, total of $550 for FALL 2018 by logging into your admission status page QU.edu/status or pay by mail, send a check to us along with the Deposit Form found on the last page or at QU.edu/admitted.

IF you have been admitted through EARLY DECISION your deposit is due by Feb. 1
IF you have been admitted through REGULAR DECISION your deposit is due by May 1

If you have filed for financial aid and know that you are receiving a PELL grant, or if you are a veteran or an international student, we can waive your deposit—go to QU.edu/admitted website for details—find the Deposit Fee Waiver form.

Deposit refund policy: Matriculation fees/housing deposits are not refundable after May 1. If you have a change of plans after May 1, please let us know by going to your QU.edu/status page, or by email to our office at admissions@qu.edu. Please note that any refunds will be subject to bank convenience fees.

Important Next Steps to Enroll

FRESHMEN: Please arrange to have your final high school transcript verifying your graduation sent to the Quinnipiac Undergraduate Admissions Office by the end of June. Official scores from AP or IB exams plus official college transcripts for any college work completed while in high school must also be sent to be evaluated for possible advanced standing. Please let us know of any unforeseen interruptions in your senior year if they affect your graduation.

TRANSFER STUDENTS: Please have your final official college transcripts showing all courses attempted/completed, including spring and summer coursework. Once evaluation of your credit equivalencies is complete, you will be notified by email.

READMITTED STUDENTS: Please contact the chairperson of your major program to help select your classes.

Orientation & Registration

Orientation/Registration

Advisers will help you identify your strengths and goals matching them to an academic roadmap; assist with registration and many other details to help ease your transition to college.

FRESHMEN
You’ll choose one orientation session:
Session 1 Thursday/Friday, June 7–8
Session 2 Monday/Tuesday, June 11–12
Session 3 Thursday/Friday, June 14–15
Session 4 Monday/Tuesday, June 18–19
Session 5 Wednesday/Thursday, August 22–23

TRANSFER STUDENTS
Transfer students will have orientation on Wednesday June 13th and a welcome day on Friday August 24th.

START DATE
Fall 2018 Classes begin August 27th

How To Register For Orientation

Q-Start
Once you pay your deposit fee and housing deposit by May 1, Student Affairs will send via email (to the email address on your application) with instructions to establish your Quinnipiac email, and access Q-Start, the information site for incoming students. You will schedule your Orientation/Registration Session, review your housing contract, and start planning for registration at that time. We will continue to send communications starting in May to your Quinnipiac email address, so please check it often over the summer.

Honors Program Application

To learn more and apply, go to: QU.edu/honors-program

The University Honors Program coordinates unique opportunities to express and support intellectual curiosity and academic leadership. The Program selects about 90 incoming first-year students to participate in this enriching and engaging community. To apply, please complete a brief application with a personal statement indicating your interest in the program.
Financial Aid

Dominic Yoia
Associate VP and Director of University Financial Aid
finaid@qu.edu
Phone: 203-582-8750 | Fax: 203-582-5238

Go to QU.edu/finaid for a link to the FAFSA, plus additional details about financial aid, our 10 month interest free payment plan, current tuition/fees/room and board costs, scholarship guidelines, veteran’s benefits, loan programs, work study and additional resources. Even if you are only interested in receiving federal student or parent loans, filing the FAFSA is required. Regardless of a student’s financial need, they can borrow up to $5,500 as a freshman, $6,500 as a sophomore and $7,500 as a junior or senior.

The FAFSA is available at fafsa.gov and is based on your family’s 2016 tax information. If you haven’t submitted the FAFSA already please file by March 1 if you wish to be considered for any federal, state or Quinnipiac need based grant aid. Quinnipiac’s code for the FAFSA is 001402.

Students are notified of merit-based scholarships in their acceptance letter. You will receive a letter from the Office of Financial Aid when your financial aid award is accessible online at QU.edu/finaid.

Campus Living

Melissa L. Karipidis
Associate Director of Residential Life
reslife@qu.edu
Phone: 203-582-8666

So much of your QU experience will take place outside of the classroom and inside the residence halls. Much more than just a place to sleep, Quinnipiac is where you will begin to make friends and memories from the moment you arrive. Freshmen participating in the First Year Residential Experience (FYRE) program will explore all that QU has to offer outside of the classroom.

Our staff members (Resident Assistants and Residence Hall Directors) who live in the residence halls are here to help create a community, serve as a resource and be a friend. From small gatherings to events for the whole class, our activities make sure everyone feels at home.

When you review your New Student Housing agreement please tell us more about yourself, your habits, personal preferences, and request a roommate if you wish. On August 1st, we will inform you of your room assignment, roommate(s) and mailbox address. Move in dates and instructions will be available on the Quinnipiac website.

About 95% of our incoming freshmen live in doubles, quads and suites on the Mount Carmel campus. Transfer students live in double rooms in suite housing (some with kitchens) on Mount Carmel or in the all-suite Crescent residence hall on York Hill. As you move through our housing options through your senior year, you can experience traditional, suites (many include kitchens), apartment and even house options, all part of Quinnipiac housing, and you may want to become part of our student “Resident Assistant” (RA) staff!

We invite you to learn more about living at Quinnipiac, our living-learning communities and our dining experience at QU.edu/reslife. You can also connect with us on our Facebook page and Twitter @QU_FYRE.

A Quinnipiac Education

Mark A. Thompson
Executive Vice President/Provost

Quinnipiac students work closely with faculty and staff to understand and integrate ideas around self, individuals, communities and the world. Students evaluate, think about, and question assumptions, they develop multi-disciplinary thinking and the ability to create, analyze and communicate ideas and decisions.

Dedication to learning: Our faculty approach learning in a collaborative manner to maximize your engagement and understanding. Our graduates are able to decisively demonstrate key elements highly valued by employers and essential to becoming a successful human being and a well-prepared professional.

Combining curriculum and experience: Graduates acquire these outcomes through the University curriculum, specific work in their major, and experiences beyond the classroom in clubs, internships, sports, study abroad, residence life and community service.

Innovation in Education

Unique in higher education, our approach in multiple majors combines undergraduate/graduate degrees in a time-shortened manner which recognizes a student’s capability to take full advantage of our Dual Degree programs. Students complete two degrees in less time, entering the workplace ahead of their peers with the confidence, credentials and experience necessary for success. About one fourth of our incoming freshmen are selected for these programs:

- Biology BS/MS Molecular Cell Biology 3+1
- Business BS/MBA 3+1
- Business BS/MS in Accounting 3+1
- Communications BA or BFA/MS 3+1
- Law BA or BS/JD 3+3
- Education BA or BS/MAT 4+1
- Physician Assistant BS/MHS 4+2
- Physical Therapy BS/DPT 3+3
- Occupational Therapy BS/MOT 4 + 1 ½
- Radiologic Science BS/MHS Advanced Medical Imaging & Leadership 3+1
- Theater BA/MBA 3+1

Students can also pursue a combined degree in nearly any undergraduate major and complete their MBA in one additional year (BA, BFA or BS/ MBA 4+1).

Essential Learning Outcomes (ELO)

A Quinnipiac education enables students to think critically and creatively; communicate effectively; use a diverse range of methods during inquiry; demonstrate personal, social, and civic engagement; and recognize and apply knowledge of diverse cultures and values, both nationally and globally. They are the foundation of the Quinnipiac educational experience.

Quinnipiac has a long track record of achieving excellence in the quality of job placement, career advancement over time, outstanding performance on professional and licensure exams, and acceptance into prestigious graduate programs.
Special Features

**QU in LOS ANGELES:** Fall, spring and/or summer internship semesters provide experience in a west coast market for QU students in communications, business, engineering, science, the arts or health sciences. Go to: [QU.edu/QUinLA](http://QU.edu/QUinLA).

**STUDY ABROAD:** Study abroad for a semester or join a faculty immersion trip which brings students together for a shorter time period to explore an overseas corporate or media environment or delivers much needed health care to those without access.

**CAREER DEVELOPMENT:** Employers value the skills and experience gained by students. Career Development focuses on school-specific advising, connections with alumni and employers, and integrating classroom, internships and clinical experiences into meaningful strategies for job placement or graduate study.

**ORGANIZATIONS/INVOLVEMENT/OUTREACH:** About 150 student organizations, which range from academic and honorary groups for all majors, to those focusing on community service, as well as cultural and identity organizations, enhance campus spirit and offer something for just about any interest. Go to: [QU.edu/student-experience](http://QU.edu/student-experience).

**PHILANTHROPY:** Our 20 national fraternities and sororities raise over $150,000 and contribute countless hours of service to their philanthropic organizations. 20% of our undergraduates belong to one of our 10 men’s and 10 women’s Greek organizations.

**LEADERSHIP DEVELOPMENT:** Quinnipiac sends over 150 student leaders to local and national leadership conferences throughout the year. The President of the Student Government is a member of the Board of Trustees.

**NCAA DIVISION I ATHLETICS:** Support the Quinnipiac Bobcats and our 21 teams. Go to: [quinnipiacbobcats.com](http://quinnipiacbobcats.com) for team schedules, achievements and coaching staff.

**CAMPUS SHUTTLE:** Quinnipiac’s location in Hamden and North Haven Connecticut has the benefit of being a suburban campus in the shadow of Sleeping Giant Mountain State Park. The free campus shuttle runs 7 days a week with wifi and connects all three campus settings, and access to shopping and restaurants and attractions in North Haven, Hamden, and New Haven. The stop at Union Station gives access to Amtrak (Northeast Corridor, Boston to Richmond) and Metro-North to Grand Central Station, NY. From the Bridgeport train station, you can walk onto the Bridgeport/Port Jefferson Ferry to Long Island.

- Quinnipiac’s 50,000 alumni live and work in 61 countries
- 96.9% of our recent graduates are either employed or in advanced education programs 6 months after graduation
- Just 2.1% of universities in the United States have both a medical school and law school
- QU’s first year retention rate is 88%, while national average for all colleges is 68%*
- QU's six year graduation rate is 78% (74% graduate on time in just four), while the national six year graduation rate is only 42%*
- 93% of our alumni say QU prepared them for success (General Alumni Survey 2015)
- Average salary after attending: $60,600 (3rd highest in Connecticut). National median $34,100*
- Geographically Quinnipiac is in the power corridor between Boston and New York City, in an area of concentrated health care, corporate, media, law, insurance and financial institutions—which provides generous opportunities for fieldwork, clinical sites, internships and career placement

**Who Studies at Quinnipiac?**
