Students completing this form are requesting to have their financial aid budget increased to reimburse themselves for the purchase of a laptop with loan funds. Forms should be returned to the Graduate Financial Aid Office.

Student Name ____________________________________________
QU ID # ________________________________________________
Graduate Program: _______________________________________

I plan on purchasing the following type of computer (please circle):

- Quinnipiac Dell Laptop $1,250 allowance
- Quinnipiac 13" MacBook Air $1,198 allowance
- Quinnipiac 13" MacBook Pro $2,114 allowance
- Other Computer $1,198 allowance, unless actual bill/invoice included

- By submitting this form, a student is automatically eligible to receive a computer allowance of $1,198 towards the purchase of a new computer, unless otherwise listed.

- If a student will be purchasing a more expense computer, copies of the receipts must be submitted before funds will be issued to a student. (Please be aware the funds should be reasonable and allowable expenses.)

Remember: You will need to submit an additional loan application to receive reimbursement.

I am requesting an increase in my cost of attendance budget to purchase a computer. I understand this form does not mean I am automatically approved for the loan.
