## **Request for Additional Funds for Computer Purchase**

By submitting this form, a student is automatically eligible to receive a computer allowance of \$1,100\* towards the purchase of a new computer, unless otherwise listed. If a student will be purchasing a more expensive computer, copies of the receipts must be submitted before funds will be issued to a student. (Please be aware the funds should be reasonable and allowable expenses.)

I plan on purchasing the following type of computer\* (please circle):

- |                            |  |
|----------------------------|--|
| Quinnipiac Dell Laptop     | \$1,100 allowance                                      |
| Quinnipiac 13" MacBook Pro | \$2,100 allowance                                      |
| Other Computer             | \$1,100 allowance, unless actual bill/invoice included |

I am requesting an increase in my cost of attendance budget to purchase a computer. I understand I must ask for the cost of the laptop when applying for my loans and I *will be reimbursed* for the expenses related to the computer purchase.
