Quinnipiac University
Department of Public Safety
NORTH HAVEN CAMPUS
ANNUAL SECURITY AND FIRE SAFETY REPORT
2017

The mission of the Quinnipiac University (QU) Department of Public Safety is to provide a safe and secure environment for the university community through the efficient and effective use of resources such as education, crime prevention, technology and enforcement activities. Although the department's mission is to ensure a safe environment, the ultimate responsibility for personal safety rests with each individual. Therefore, it is important for all members of the Quinnipiac community to be aware of their surroundings and potential risks. Take the time to familiarize yourself with the procedures for building evacuation, use of Code Blue Light Phones and how to contact the Department of Public Safety in the event of an emergency.

The Annual Security Report is completed each year by Quinnipiac University in compliance with relevant provision of federal law (Clery Act, Higher Education Act, and Violence Against Women's Act) and in response to Connecticut General Statute Section 10a-55 and Public Law 101-542, as amended. These required policies, criminal statistics and programmatic information are collected and compiled by the Department of Public Safety, Department of Human Resource, Department of Residential Life and the Office of Student Affairs into the Annual Security Report and published by Quinnipiac University. Quinnipiac University is required under law to make policy, criminal statistics and programmatic information available to the university community as well as to prospective students and employees. The Annual Security Report is available in the policy section on the Quinnipiac University website (QU.edu/student-handbook). Printed copies of this report are available upon request from the QU Department of Public Safety. The following is a summary of Quinnipiac University's policies and procedures, criminal statistics and programmatic information.

Quinnipiac University consists of three separate campuses: Mount Carmel Campus (main campus), York Hill Campus and North Haven Campus. The Mount Carmel (main) Campus is located at 275 Mount Carmel Avenue in Hamden, Connecticut, and is composed of approximately 250 acres. It contains the residence halls, as well as educational and administrative facilities. The main campus also includes the York Hill Campus, which is located at 305 Sherman Avenue in Hamden, Connecticut, approximately a half mile from the Mount Carmel Campus. The York Hill Campus contains residence halls, the Rocky Top Student Center, Quinnipiac Sports Center and a parking garage. There are also university-owned or leased residential houses and apartments provided to students that are within 1 mile and considered reasonably contiguous to the Mount Carmel and York Hill campuses. For the purposes of this report and in accordance with the Clery Act definition, crimes or fires occurring in these university-owned or leased residential houses and apartments will be documented to have occurred "on campus." The York Hill Campus is considered reasonably contiguous to our main campus specifically due to the fact that students at York Hill attend their educational courses on the main campus and are provided free shuttle transportation to and from the York Hill Campus.

The North Haven Campus is located at 370 Bassett Road in North Haven, Connecticut, and is composed of approximately 150 acres. This campus encompasses the School of Law, Frank H. Netter MD School of Medicine, School of Health Sciences, School of Education and School of

Nursing as well as Graduate Admissions and Financial Aid. There are also university-owned or leased residential houses and apartments provided to students that are within 1 mile and considered reasonably contiguous to the North Haven Campus. For the purposes of this report and in accordance with the Clery Act definition, crimes or fires occurring in these university-owned or leased residential houses and apartments will be documented to have occurred “on campus.”

For the purposes of this Annual Security and Fire Report, only information relative to the North Haven Campus will be considered. A separate Annual Security and Fire Report will be issued for the Mount Carmel and York Hill Campus.

I. REPORTING CRIMES AND OTHER EMERGENCIES

The Department of Public Safety is authorized by Quinnipiac University to prevent, investigate and report any violations of state or federal law and/or university regulations on its property. The Department of Public Safety is located on the first floor of Irmagarde Tator Hall. The York Hill Office is located on the ground floor of the Rocky Top Student Center adjacent to the Student Health Center. The North Haven Office is located in Building 1, MNH-186. Public Safety operates 24 hours a day, 365 days a year. Officers receive ongoing university security and safety training, conduct foot patrols of all university buildings, respond to all requests for assistance, investigate all complaints, provide security for university events and respond to all emergencies that occur on university property. The department maintains a close working relationship with the Hamden Police Department, North Haven Police Department, Connecticut State Police and the Federal Bureau of Investigation.

Although the department’s mission is to ensure safety throughout the university, each individual is expected to be aware of his or her surroundings and normal routines. All members of the community are encouraged to report criminal or suspicious activity they may witness. Students, staff members and faculty should familiarize themselves with building evacuation procedures in case of an emergency and know how to contact the Public Safety Department. Any student, faculty member or employee of Quinnipiac University should report any potential criminal act or other emergency to any officer or representative of the Department of Public Safety. This includes instances when the victim of a crime elects not to or is unable to (physically or mentally) make such a report. Callers should dial 6200 or 203-582-6200 for immediate assistance or 911 in the event of an emergency.

In the event of an emergency, calls may be made to the Hamden or North Haven Police Department by dialing 911. The 911 operator will then alert QU Public Safety. Emergency calls also can be made by using one of the call boxes on the university campus, including some that are located inside of buildings. Emergency calls may be made using one of the “**Blue Light**” call boxes located throughout the university campus. The “Blue Light” emergency call box can be activated by pushing a button. The activated call box automatically identifies the location to Public Safety and a blue light on top of the call station flashes, indicating an activated alarm. The caller should give the necessary emergency information to the officer and, if possible, remain at the call box until an officer arrives. Emergency calls also can be made by using the red “emergency” button found on the **yellow call boxes** with many located on the exterior side of residence halls adjacent to each entrance door. These “emergency” systems are linked directly to the QU Public Safety dispatcher. Students and employees also can use the **RAVE Guardian** App that can be downloaded to their mobile device through raveguardian.com/ —the Rave Guardian website. This app will essentially make the user’s cell phone a locating device in the event the user taps the emergency icon within

this app. Once an emergency is activated by the user of the mobile device, QU Department of Public Safety will be directly notified.

To address the concerns of the public and provide assistance to the town residents regarding unwelcome or inappropriate activities of QU students residing in their communities, the university developed the **Community Concerns Hotline — 203-582-3770**, which enables residents to contact the QU Department of Public Safety directly to voice their concerns in a manner that can be addressed by the university.

Student behavior, which violates state or federal law and/or university regulations, also may be investigated and reported by authorized staff of the Division of Student Affairs. The Department of Public Safety reports to the executive vice president and provost.

Confidential Reporting Procedures

Victims of a crime who do not wish to pursue action within the university or criminal justice systems can provide a confidential report using **TipNow**, a confidential tip line that reports directly to Quinnipiac University Department of Public Safety. This confidential reporting system can be accessed by **qu@tipnow.org** by dialing **203-424-0975**, or by downloading the TipNow app using a droid or iPhone mobile device.

When reporting a violation of sexual misconduct, there are resources that can provide confidentiality, sharing options and advice without any obligation to inform other university staff members unless requested. University confidential resources include Counseling Services, Student Health Services and/or the university Office of Religious Life staff. Additionally, community members can seek out assistance from an off-campus crisis center, which can maintain confidentiality. Please Note: Faculty members are not considered confidential resources and are required to contact the university Title IX coordinator or a deputy coordinator.

Whistle Blower Protection and Anti-Retaliation Act

The university does not condone actions that are detrimental to the school's resources, facilities, community members or image, or those that violate applicable laws or school policy. The university has created the following policy so that its community members may effectively report known or suspected wrongful conduct without fear of personal or professional retaliation or adverse employment action.

In this policy, "wrongful conduct" means any action or behavior that is (a) a violation of school policies or procedures or applicable state, federal or local law or regulation, or (b) detrimental to the school's resources, facilities, community members or reputation.

All university employees are encouraged to report any known or suspected wrongful conduct to human resources. The employee who makes a report will not be subject to any retaliatory action or adverse employment action by the university.

Reports may be made verbally or in writing and should contain the following, at a minimum:

- A clear description of the conduct that is the subject of the report, containing as much specific information as possible such as dates, locations, persons involved and any other pertinent information.
- The name(s) of the person(s) filing the report. This policy does not allow for "anonymous" reports. The reporter's identity will be kept confidential to the extent possible within the limitations of law and the need to conduct a competent investigation.
- If a preliminary review of the report indicates that the alleged conduct, if true, constitutes wrongful conduct (as defined in this policy) and there is adequate specific information to be investigated, the university will investigate the matter and appropriate corrective action will be taken if warranted by the results of the investigation.
- The filing of a false report or false information can have a serious effect on the university. Any individual who, with reckless disregard for the truth, knowingly gives false information or makes a false report of wrongful conduct for retaliation or adverse employment action in violation of this policy will be subject to appropriate disciplinary action.

Individuals who believe they have been the subject of retaliation or adverse employment action in violation of this policy should report such actions to Human Resources immediately. Human Resources will contact the person who makes a report in accordance with this policy indicating their intent of whether or not they will pursue an investigation. Human Resources will promptly investigate such allegations, in consultation with other appropriate school officials as necessary, and appropriate corrective action will be taken if warranted by the results of the investigation. The actual results and/or findings of any investigation will be handled appropriately.

Responsible Employees

Faculty, administration, athletic staff, human resources, public safety and student affairs staff are considered "responsible employees" under Title IX and are required to immediately report any incidents of sexual violence they observe to the Title IX coordinator. Refer to the Title IX

Discrimination and Harassment Policy section of this report for details of reporting Title IX violations and contact information of the Title IX coordinator and deputy coordinators. Please visit: QU.edu/student-handbook for more information concerning Quinnipiac University's Title IX policy.

Campus Security Authority (CSA)

By definition, a campus security authority or CSA is a person who has significant responsibility for students and/or campus activities. A faculty member who does not have any responsibility for student and campus activity beyond the classroom; and clerical or cafeteria staff are **not** considered CSAs. However, all other faculty, administrators, athletic staff, human resource personnel, public safety personnel, residential life staff and student affairs staff, who have significant responsibility for students and/or campus activities, are considered CSAs under the Clery Act.

The function of a CSA is to report to the university Clery Compliance Officer those allegations of *Clery Act* crimes that he or she receives. CSAs are responsible for reporting allegations of *Clery Act* crimes that are reported to them in their capacity as a CSA. This means that CSAs are **not** responsible for investigating or reporting incidents that they overhear students talking about in a hallway conversation; that a classmate or student mentions during an in-class discussion; that a victim mentions during a speech, workshop or any other form of group presentation; or that the CSA otherwise learns about in an indirect manner. Refer to the Clery-Identified Crime Definitions section of this report for clarification.

It doesn't matter whether or not the individuals involved in the crime, or reporting the crime, are associated with the institution. If a campus security authority receives a report, he or she must report this to the university Clery Compliance Officer. If the incident report to the CSA is a Title IX violation, this should be reported to the Title IX coordinator under the requirements and obligations of a Responsible Employee. The Quinnipiac University Clery Compliance Officer is:

Karoline Keith,
Clery Compliance Officer and Investigator
IR-SEC
karoline.keith@qu.edu or 203-582-7923

A CSA is not responsible for determining whether a crime took place, apprehending the alleged perpetrator or convincing a victim to contact law enforcement if the victim chooses not to do so.

CSA reports are used by the institution to compile statistics for *Clery Act* reporting and to help determine if there is a serious or continuing threat to the safety of the campus community that would require an alert (i.e., a timely warning or emergency notification). However, those responsibilities can usually be met without disclosing personally identifying information. A CSA report does not need to automatically result in the initiation of a police or disciplinary investigation if the victim does not want to pursue this action.

Pastoral counselors and professional counselors are not considered CSAs under the *Clery Act*. To be exempt from disclosing reported offenses, pastoral or professional counselors must be acting in the role of pastoral or professional counselors.

Pastoral counselor: A person who is associated with a religious order or denomination, is recognized by that religious order or denomination as someone who provides confidential counseling, and is functioning within the scope of that recognition as a pastoral counselor.

Professional counselor: A person whose official responsibilities include providing mental health counseling to members of the institution's community and who is functioning within the scope of the counselor's license or certification. This definition applies even to professional counselors who are not employees of the institution, but are under contract to provide counseling at the institution.

II. TIMELY WARNING, EMERGENCY NOTIFICATION AND EVACUATION

Department of Public Safety officers are trained first responders and are prepared to take action in any emergency situation that may arise on university property. An Emergency Management Team is in place to allow immediate response by individuals performing specific roles and functions already predefined.

An **Integrated Emergency Management Plan** has been developed by the Department of Public Safety as part of its ongoing effort to protect Quinnipiac University students, faculty and staff. The development of this plan is based on a realistic assessment of potential incidents that could affect our community and the capabilities to react to those situations. It is a comprehensive approach utilizing the Incident Command and National Incident Management System and may effectively be applied to any critical incident.

Emergency Management Team

A university-wide, comprehensive team meets throughout the year to plan for emergencies, conduct tabletop exercises and continually review safety and security issues.

The Emergency Management Team, which is directed by the chief of the Department of Public Safety and the associate vice president for facilities operations is also made up of representatives from the university's three campuses and was created to lead Quinnipiac through major emergencies that threaten the health and safety of the university community.

The directors of the emergency management team are in charge of the university's Emergency Operations Center, which is available to respond around the clock, 365 days a year. Representatives of the Emergency Management Team meet monthly and are primarily responsible for planning and the creation of policy relative to the various facets related to crisis response, including operations, logistics, public information and internal communication, safety and communication with the senior level management of the university and other major stakeholders. Members of the Emergency Management Team also have completed the Federal Emergency Management Agency's National Incident Management System training.

Quinnipiac's Integrated Emergency Management Plan details protection for students, faculty, staff and visitors to the university campuses. The plan covers:

- Warning systems to alert the university community in an emergency
- Proper fire control equipment and training of fire team members
- First-aid training for a supplemental group of staff members and medical supplies for emergency use

- Proficiency by the Public Safety department in traffic control, facility monitoring, crowd control and protection duties
- Generator backup for university buildings
- Evacuation procedures and drills
- Shelter space on campus and assignment of corridor, floor and building wardens to assist in employee and student movement and organization.
- Identification of local resources and coordination with the Red Cross for protection and shelter purposes
- Coordination with local emergency service agencies as well as private sector companies
- Training of emergency response teams
- Recovery planning

TIMELY WARNING

A “timely warning” will be issued in the event that a situation arises, either on or off campus, that in the judgment of the chief of public safety or his/her designee, constitutes an ongoing or continuing threat criminal in nature. This university-wide timely warning will be issued, with the assistance of the Public Information Office, as soon as pertinent information becomes available. The notification will include a short description of the crime or incident, giving the time and date, location, reported offense, suspect description, and any other pertinent information used to facilitate the crime. The notification also will include personal safety information to aid members of the university community in protecting themselves from becoming victims of a similar crime.

EMERGENCY NOTIFICATION

An “emergency notification” will be immediately issued upon confirmation, by the chief of public safety or his/her designee with the assistance of the Public Information Office that such event poses a significant emergency or dangerous situation and involves an immediate threat to the health or safety of students or employees.

HANDLING OF TIMELY WARNING OR EMERGENCY NOTIFICATION

The issuance of a timely warning or emergency notification may be handled in a variety of ways in an effort to reach the entire QU community. These systems are used to distribute emergency notifications without delay in situations where a clear and active threat or emergency exists that impacts the community and where it is recommended that the recipients take some form of action in response to the active threat or emergency. Communications may be made through:

- RAVE GUARDIAN system will communicate via text, email and phone call. Go to raveguardian.com to download the RAVE GUARDIAN APP onto any cell phone device.
- ALERTUS mass notification system provides communications through an individual’s computer desktop and digital screens located across campus within numerous campus buildings. ALERTUS requires registration, which can be done through the MyQ website in the Quick links tab. You also can go to myq.quinnipiac.edu/Alertus to register.
- Members of the university community can register for text messages via the University Emergency Text Message System. Go to quinnipi.ac/uetms to register or follow the links on the MyQ website.
- QU social media platforms (i.e., Facebook, Twitter) also issue alerts.

Situational Considerations Regarding Communication

The chief of public safety or his/her designee will, without delay and in taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of the responsible authority, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

The chief of public safety or his/her designees will assess each situation that requires either a timely warning or emergency notification. The responsible authority will determine the appropriate segment or segments of the campus community that will receive the proper notification based on the situational circumstances of the event. There will be a continuing assessment of the situation and the additional segments of the campus may be notified if the situation warrants such action.

Emergency Protocol and Communications

In the event of an emergency, dial **911**. Dialing 911 from a university phone will immediately dispatch North Haven authorities (if you are calling from the North Haven Campus) or Hamden authorities (if you are calling from the Mount Carmel or York Hill campuses).

A 911 call from a university phone will simultaneously send an “**alert**” to the Quinnipiac University Department of Public Safety that an emergency is in progress. Moreover, because of our **e911** system, the call also will generate and provide the North Haven, Hamden and QU Public Safety communications with a record of the location (building and room) from where the call originated. This **e911** feature was installed to augment the normal features of a **911** call.

When making a 911 call from a cellular phone, be sure to advise the emergency dispatcher answering your call with the location from where you are calling and the location of the emergency.

University Emergency Communications

Emergencies range from inclement weather, to building evacuations, to university closures and many other situations. The university has a variety of tools to communicate with you in the event of an emergency. Depending on the type of emergency, some or all of the following tools may be used.

DIRECT COMMUNICATIONS

- **Text and University Email Alerts**

The university encourages you to register your cell phone number with the text-alert system found at quinnipi.ac/uetms or by going to MyQ. This will enable you to receive emergency text messages. During emergencies, the same system that communicates with your cell phone via text, sends an “urgent” group email to everyone registered. The email will contain important details or direct individuals to MyQ for additional information and instruction.

- **ALERTUS**
ALERTUS mass notification system provides communications through an individual's computer desktop and digital screens located across campus within numerous campus buildings. ALERTUS requires registration, which can be done through the MyQ website in the Quick links tab. You also can go to myq.quinnipiac.edu/Alertus to register.
- **RAVE GUARDIAN** system will also communicate university emergencies via text, email, and phone call. Go to raveguardian.com/ to download the RAVE GUARDIAN APP onto any cell phone device.

OTHER COMMUNICATIONS

- **Local Press and Social Media**
University Public Affairs staff members use Facebook/Twitter and other social media platforms to communicate with members of the community.
- **Fire Panel Systems**
Some university buildings are equipped with fire panel systems that have a public address capability.
- **Television Monitors**
Television monitors on the three campuses have the ability to be converted immediately to display warnings and emergency messages.

Meaning of and Response to Emergency Messages

The following are possible messages you may receive in the event of an emergency:

“Shelter in Place” – this is a protective action to stay inside a building to avoid external hazards, including severe weather (such as a tornado) or a hazardous-material release. When Shelter in Place is warranted, you will be appropriately advised by university officials via the emergency notification system. Follow any specific instructions in the communication.

“Lockdown” – this is a protective action that involves a serious and imminent threat in the immediate area. When a “Lockdown” is warranted, you will be appropriately advised by university officials via the emergency notification system. Follow any specific instructions in the communication. In the event of a “Lockdown” message related to an armed intruder or active shooter, you should:

- Stay where you are or go to the nearest room with a door.
- Secure the room by locking it from the inside or, if the door cannot be locked, by barricading the door with whatever is available (furniture, books, etc.).
- Stay behind solid objects away from the door as much as possible.
- Close blinds or curtains, block windows, stay out of sight and be quiet.
- Wait for the “all-clear” message from authorities via the emergency notification system.

“Evacuate” – this protective action is undertaken when a situation requires the evacuation of a building(s). If you receive a directive to evacuate, you must leave the building and proceed to the nearest safe place (at least 100 feet from the evacuated building). Do not use elevators

unless directed to do so. Keep streets and sidewalks clear for access by emergency personnel. Do not return to the evacuated building until you receive official clearance to do so.

Armed Intruder/Active Shooter Protocol

In the event of an armed intruder/active shooter at the university, you should do the following:

1. Immediately notify law enforcement by calling **911** from your cellphone or a university phone.
 - Give your location and, if possible, a physical description of the intruder or intruders, a description of the color and style of clothing and a description of any weapons observed.
2. Your choices in response to an armed intruder/active shooter are to **RUN, HIDE or FIGHT!**
 - A. **RUN** – If there is a way to safely escape, attempt to leave the area.
 - Do not let others impede your escape, however, help others if possible.
 - Leave your belongings behind.
 - Warn/prevent others from entering the area.
 - Call **911** when you are safe.
 - B. **HIDE** – If it's not safe to run, find a place to hide.
 - Lock and/or block the door behind you.
 - Silence your cellphone.
 - Hide behind large objects.
 - Remain quiet and stay out of view.
 - C. **FIGHT** – This option should be chosen as a last resort and only if your life is in danger!
 - Attempt to incapacitate the intruder.
 - Act with physical aggression.
 - Improvise weapons.
 - Commit to your actions.

You should be aware that the primary goal of law enforcement is to eliminate the threat. Officers will not stop to help injured persons until the environment is safe.

- Remain calm and follow instructions.
- Keep your hands visible at all times.
- Avoid pointing and yelling.
- Know that help for the injured is on the way.

III. MISSING STUDENT NOTIFICATION PROCEDURES

In the event that a student is deemed to be missing from the residence halls or campus, all persons are directed to first report this fact to the Department of Public Safety. Public Safety will notify

without delay Residential Life, Student Affairs and the Hamden Police Department, and an investigation will be initiated upon receipt of the information.

All Quinnipiac students living in an on-campus student housing facility have the option to register one or more confidential emergency contact person(s) with the Student Affairs Office. This emergency contact person will be notified in the case that the student is determined to be missing. Students are notified that their contact information will be registered confidentially. Only authorized university officials and law enforcement officers in furtherance of a missing person investigation may have access to this information.

All students are advised that any missing student younger than 18 years of age and not emancipated will have his or her parent or guardian notified in addition to any confidential contact and local law enforcement officials.

Specific Procedures

When a member of the university community becomes aware that a student is missing, it is urgent to immediately notify Public Safety. Upon receiving a report, the Public Safety Department will investigate without delay.

Upon determining a student is missing, the Public Safety Department will notify local law enforcement immediately with all available information concerning the missing student:

- Name and description of the student
- Location and time last seen
- Name of the person last seen with student if available
- Description of vehicle student may be driving
- Intended destination (and time of expected arrival)
- Name of student's parent(s) or guardian(s)
- Any medical issues
- Locations of places the missing student may frequently visit
- Name of missing student's companion(s) or colleague(s)

Public Safety will:

- Document all information regarding the circumstances and events surrounding the disappearance of the student.
- Issue a "BOLO" (Be On the Look Out for) broadcast using the Department of Public Safety radio system. A photograph of the missing student will be accessed and utilized from the Colleague system.
- Issue a university alert relative to the missing student.
- Contact the local police department and report a missing student.
- Contact Student Affairs, Residential Life and university officials to report a missing student.
- Make an immediate search effort and attempt to contact the missing student via his/her cell phone.
- Complete a report of the step-by-step efforts to locate the missing student.

IV. SECURITY OF AND ACCESS TO UNIVERSITY FACILITIES

The opening and closing of university facilities depends on the flow of classes and events on university property. As a rule however, classroom buildings are open during the day and evening hours when classes are in session and are secured when the last classes are dismissed.

Administrative buildings are open Monday through Friday during normal business hours. Residence halls are locked at all times. Residents are issued a card entry to allow them access to their buildings. Several satellite buildings located away from the main campus areas also are locked at all times and have card entry systems that allow only authorized students and staff to enter.

Other safety measures include parking lot video cameras, electric gates for parking lot security and blue light phones in parking lots. Two entrance gates are staffed and open 24 hours a day, 365 days a year. Other entrance gates are closed when not staffed.

Visitor and Guest Policy—Visitors are defined as any non-Quinnipiac student who chooses to visit a resident student. A guest is defined as another Quinnipiac student who is not a resident of a particular living unit. Students may register one visitor for any single day. Seniors in Senior-Year Experience housing may register two visitors. Visitors are registered through the Quinnipiac University website. Overnight visitors must be 16 years or older. Non-Quinnipiac students who do not have the appropriate visitor pass are removed from the campus immediately.

- A. Students hosting visitors must accompany them and are responsible for their behavior at all times. Students are held accountable for any disturbance and/or damage their visitors may cause.
- B. Students who host unregistered visitors are in violation of this policy.
- C. Residents are limited to one guest or visitor at a time. The maximum number of people permitted to occupy any individual room, suite or apartment at any one time may not exceed twice the number of residents of that living unit at any one time, except where designated in certain Senior-Year Experience housing areas.

Visitors to Residence Halls

Visitors to the residence halls must bring a photo ID to the traffic control post at the main entrance on Mount Carmel Avenue to obtain visitor passes. All visitors must display a valid visitor pass on the dashboard of their vehicle and carry a visitor ID pass on their person at all times while on university property or at university activities.

Security and Safety Regulations for All Students and Guests

Building doors should never be propped open or blocked, to avoid problems and prevent unauthorized visitors from entering the building. All students and guests must stop at all traffic control posts on the perimeter of the campus. Students must carry their QCard at all times. Acts of vandalism should be immediately reported to the Department of Public Safety. All fire safety regulations must be observed. In the case of a fire alarm, all occupants must evacuate the building and may not re-enter it until authorized to do so by the fire department or the Department of Public Safety.

Escort Service

The Department of Public Safety offers an escort service, available on request, to students, faculty and staff. In addition, the department assists those experiencing motor vehicle problems in the lots and other parking areas serving the university. Both services are available 24 hours a day.

Facilities

The facilities building on the Mount Carmel Campus is located south of the Pine Grove and houses the Facilities Department. The Facilities Department is responsible for the care and maintenance of the university buildings and grounds. In addition, the Facilities Department is responsible for the management and oversight of the university's events and scheduling software, which is used for all academic and nonacademic functions that occur on university property.

V. UNIVERSITY LAW ENFORCEMENT POLICY

The Department of Public Safety is a non-sworn proprietary organization with approximately 80 officers. Officers conduct foot, vehicular and bicycle patrols of the university and residence areas 24 hours a day, 365 days a year. Officers are trained to provide emergency first aid care. The Department of Public Safety does not provide services outside the boundaries of university property. Student Affairs and Public Safety enjoy a close working relationship with local and state agencies when violations of federal, state or local laws involving students occur.

In addition, the Department of Public Safety maintains a highly professional working relationship with federal law enforcement, Connecticut State Police and the town of Hamden and North Haven police departments. Public Safety follows all applicable policies and laws regarding confidentiality of records and reserves the right to provide police any information obtained as a result of a Public Safety investigation. Public Safety strongly encourages anyone who is the victim or witness to any crime to promptly report the incident to the Department of Public Safety. It is the right of any member of the university community to contact the Hamden Police Department to investigate any crime. Assistance in contacting the Hamden or North Haven police department may be arranged through the Department of Public Safety.

Quinnipiac University and the town of Hamden and North Haven have agreed in principle to voluntarily provide mutual aid and services to each other to minimize the risk to town citizens, students, faculty and staff in the event of a natural or man-made disaster.

Public Safety Services

The Department of Public Safety provides the following services for the Quinnipiac community:

- patrols all university properties 24 hours a day, 365 days a year
- responds to all requests for assistance
- responds to and investigates all complaints
- responds to all emergencies and assists at medical emergencies
- conducts regular checks of all residential and academic buildings for the safety and protection of the Quinnipiac community
- offers escort service (walking escort) 24 hours a day, seven days a week conducts regular foot patrol of all university buildings and residential buildings
- provides perimeter security (traffic control post) at all entrances of the university campuses
- provides and maintains security for all student and Quinnipiac University campus events
- maintains a working relationship with all law enforcement agencies and other emergency service agencies
- assists all members of the university community who have a motor vehicle problem (e.g., jump start, attempt to unlock vehicles)

Additional Services

In addition to day-to-day responsibilities and services, the Department of Public Safety also:

- conducts seminars and group discussions regarding personal safety and campus security
- conducts fire drills with Residential Life staff
- holds discussions regarding security and safety and students' responsibilities
- invites representatives from various police agencies to discuss law enforcement and how it affects Quinnipiac students
- provides information and guidance about security and safety on Quinnipiac property to any member of the university community
- designs specific safety programs
- maintains a lost and found

A student wishing to file a formal complaint against any member of the Department of Public Safety may do so (in writing) at the Public Safety office or may request to speak with a supervisor within the Department of Public Safety.

VI. CRIME PREVENTION AND SECURITY AWARENESS PROGRAMS

Safety programs for undergraduate students begin at First-Year Residential Experience (FYRE) and continue throughout the year in cooperation with the Office of Residential Life. The Department of Public Safety also offers a 24-hour security escort service.

Quinnipiac University also has professional relationships with the Town of Hamden Fire Marshal and the City of North Haven Fire Marshal Office responsible for coordinating the university's fire prevention and training programs, designing fire safety policies and procedures, and ensuring that Quinnipiac University is in compliance with the fire safety codes of the state of Connecticut. Information regarding the number of fires, injuries, fire drills, fire-related property damage and the type of fire detection systems in each building can be obtained by contacting the Town of Hamden or City of North Haven Fire Marshal's Office or the QU Department of Public Safety office at 203-582-6200.

All members of the Quinnipiac University community play an important role in keeping the university safe and are encouraged to alert Public Safety of any criminal act, unsafe condition or suspicious activity. Students, faculty and staff should use sound judgment and take simple precautions to avoid becoming the victim of a crime.

Quinnipiac provides ongoing educational programs to prevent sex offenses and sexual assault, including rape and acquaintance rape. As part of the freshman orientation program, all first-year students participate in a mandatory awareness session on the prevention of sexual assault. Additional educational programs are sponsored by offices overseeing every area of student life, such as residential life, counseling, public safety, student health services, religious life and student leadership development programs.

CARE

The **CARE (Community Assessment Response and Evaluation) Team** provides a caring, preventive, early intervention approach with students whose behavior is disruptive or creates a cause for concern. The multidisciplinary team is trained and certified through the National Behavioral Intervention Team Association and meets weekly to review information received about

student behavior and determine the best course of action to support the student and intervene before behavior escalates. The team utilizes a risk rubric tool, which provides a consistent, objective context for specific assessment of potential risks to prevent emerging violence toward self or others.

The Counseling Center provides training/lectures with facilities, Office of Residential Life, Department of Public Safety and other groups and organizations within the campus community. The counseling website has information on services available to distressed students and ways to help students who are distressed.

If a high-risk behavior or dangerous conditions are observed then faculty and staff should report such conditions to the Department of Public Safety, the vice president and dean of students or the Counseling Center.

Edgar Rodriguez, Chief of Public Safety – 203-582-3660
Seann Kalagher, Associate Dean of Student Affairs – 203-582-5213
Kerry Patton, Director of Health and Wellness – 203-582-3087

VII. DRUG AND ALCOHOL REGULATIONS

Alcohol

Quinnipiac University encourages mature reflection by its students when making personal choices. The university is concerned about alcohol and drug use in our society and community. Students are expected to be aware of University policies and know where help is available for those who need assistance. The welfare of the students in our community is paramount; therefore, Quinnipiac expects students to assist fellow students when they are in need.

Students are subject to all of the rules and regulations outlined in the Alcohol and Drug Policy, which can be found in the Student Handbook (QU.edu/student-handbook). These rules apply while on the university property or related premises; when attending an off-campus event sponsored by a recognized student organization; or if the nature of the off-campus infraction is such that the student in violation poses a threat to the life, health, safety or property of a member of the community.

Persons who violate these policies and who, in doing so, infringe upon the rights of others, conduct themselves in a disorderly manner, or destroy Quinnipiac property are held accountable for their actions and are subject to disciplinary action.

The Office of Student Affairs has in place an Alcohol and Other Drug Education and Awareness program. This program includes the following educational components but is not limited to:

- A mandatory alcohol awareness session for all freshmen at orientation
- A required web-based alcohol prevention course for all new students
- An alcohol and drug assessment program for students who have exhibited and been involved in high-risk behaviors
- Extensive ongoing programming addressing topics and issues involving alcohol and drugs
- Training and development programs for professional and paraprofessional staff members.

Drugs and Other Illegal Substances

“The Student Code of Conduct” documented within the Student Handbook states that the manufacture, distribution, transfer, possession with intent to sell, offer for sale, sale or possession of illegal or harmful drugs, hallucinogens or narcotics or drug paraphernalia is prohibited. Any student who violates the Quinnipiac drug policy is in violation of Connecticut state law and/or federal law.

Disciplinary Sanctions

The university’s response to students found in violation of the alcohol and drug policy is governed by various factors including severity of the infraction, actual or potential personal injury, damage to property and previous disciplinary history. If a student is found responsible for the manufacturing, distribution, possession with intent to sell, or sale of illegal or harmful drugs, the student may be expelled from Quinnipiac and may be referred to the appropriate federal, state and local law enforcement agencies.

Weapon-Free Workplace Policy

Quinnipiac University prohibits the possession or use of dangerous weapons on all university properties. A license to carry the weapon on the university property does not supersede this policy. Any employee in violation of this policy will be subject to prompt disciplinary action, up to and including termination. All employees are subject to this provision, including contract and temporary employees, visitors and customers on the university property.

“University property” is defined as any buildings (including the surrounding areas such as sidewalks, walkways, driveways and parking lots) that are owned or leased by the university. This policy also applies to all university-owned or leased vehicles and all vehicles that come onto university property.

“Dangerous weapons” include, but are not limited to: firearms, explosives, knives and other weapons that might be considered perilous or that could cause harm. Employees are responsible for making sure that any items in their possession are not prohibited by this policy.

Quinnipiac University reserves the right at any time and at its discretion to search all university-owned or leased vehicles and all vehicles, packages, containers, briefcases, purses, lockers, desks, enclosures and persons entering its property, for the purpose of determining whether any weapon has been brought onto its property or premises in violation of this policy. Employees who fail or refuse to promptly permit a search under this policy will be subject to discipline up to and including a termination.

This policy is administered and enforced by the Office of Human Resources and the Department of Public Safety. The full policy regarding the Weapon-Free Workplace Policy is published in the Quinnipiac University Policy Manual, which is published and made available to all Quinnipiac university employees by the Office of Human Resources.

NOTE: Public Safety officers specifically trained and approved by the chief of public safety are permitted to carry a department-issued firearm in exception to this policy.

VIII. SEXUAL MISCONDUCT AND HARASSMENT POLICY

Statement of Intent

Quinnipiac University (“university”) is committed to providing a learning environment free of gender-based discrimination, including sexual harassment. Sexual misconduct is a form of sexual harassment prohibited by this policy. This policy is intended to guide students on the university’s general response policy to incidents of sexual misconduct, the resources available to victims of sexual misconduct, and the sexual misconduct prevention initiatives of the university.

Members of the university community, guests and visitors have a right to be free from sexual harassment, violence and gender-based harassment. When an allegation of misconduct is investigated, and a responding community member is found to have violated this policy, serious sanctions may be used in an effort to ensure that such actions are not repeated.

Any attempts to violate this policy are considered sufficient for having committed the violation itself. The use of alcohol or other drugs will not be accepted as a defense or mitigating factor to a violation of this policy. These policies apply regardless of the complainant’s or respondent’s sexual orientation, sex, gender identity, age, race, nationality, religion or ability. Harassment or discrimination based upon an individual’s sexual orientation may be considered gender-based and is subject to this policy.

Educational Programs

Quinnipiac provides ongoing educational programs to prevent sex offenses and sexual assault, including rape and acquaintance rape. As part of the freshman orientation program, all first-year students participate in a mandatory awareness session on the prevention of sexual assault, dating violence, domestic violence and stalking. All incoming students complete on online training “Haven” which addresses bystander intervention. All new employees are provided sexual harassment and discrimination training during their orientation and onboarding. Additional educational programs are sponsored by offices overseeing every area of student life, such as residential life, counseling, public safety, student health services, Religious Life and student leadership development programs. Such programs include but are not limited to:

- Sexual Assault Awareness Month (April)-month long campus wide events.
- Fresh Check (October)-Alcohol Awareness campus wide event.
- Take Back the Night- Domestic Violence Awareness-campus wide event

Definitions and Scope of Sexual Misconduct

Quinnipiac prohibits any form of sexual misconduct, including but not limited to acts of sexual harassment, nonconsensual sexual contact or intercourse and other forms of sexual exploitation.

1. Sexual harassment

An unwelcome gender-based verbal or physical conduct that is: sufficiently severe, persistent or pervasive that it has the effect of unreasonably interfering with, limiting or depriving someone of the ability to participate in or benefit from the university's educational programs, activities and/or employment and is based on power (*quid pro quo*), the creation of a hostile environment or retaliation.

2. Nonconsensual sexual contact

Any intentional touching, however slight, whether clothed or unclothed, with any object or body part by a person against another person that is without consent and/or by force.

3. Nonconsensual sexual intercourse

Any sexual intercourse, however slight, with any object or body part by a person against another person that is without consent and/or by force.

4. Sexual exploitation includes but is not limited to:

- Invasion of sexual privacy and voyeurism (in-person or through audio or video recording)
- Knowingly transmitting a sexually transmitted infection
- exposing of a person's body or genitals
- prostituting or soliciting another community member

5. Intimate Partner Violence (Domestic Violence/Dating Violence)

Relationship violence is a pattern of behavior in an intimate relationship that is used to establish power and control over another person through fear and intimidation. A pattern of behavior is typically determined based on the repeated use of words and/or actions and inactions to demean, intimidate and/or control another person. This behavior can be verbal, emotional and/or physical. Examples include, but are not limited to: striking another person (slapping, punching, etc.), property damage, reckless behavior, name calling and insults, public humiliation, harassment directed toward friends and acquaintances, and verbal and/or physical threats.

6. Stalking involves any behaviors or activities occurring on more than one occasion that collectively instill fear and/or threaten a person's safety, mental health and/or physical health. Such behaviors or activities may include, but are not limited to nonconsensual communications (i.e., face-to-face, telephone, email and social media), threatening or obscene gestures, surveillance or showing up outside the targeted individual's classroom, residence or workplace.

7. Consent is an active, knowing and voluntary exchange of affirmative words and/or actions, which indicate a willingness to participate in a particular sexual activity. Consent must be freely and actively given. It is the responsibility of the initiator to obtain clear and affirmative responses at each stage of sexual involvement. The lack of a negative response is not consent. A person who is incapacitated by alcohol and/or drugs, whether voluntarily or involuntarily consumed, may not give consent. Neither consent to one form of sexual activity nor past relationships imply consent to future sexual activity.

- In order to give consent, a person must be of the legal age of consent. Under most circumstances, the age of consent in the state of Connecticut is sixteen. See Connecticut General Statutes § 46b-120, § 46b-127, § 46b-133d, § 53a-70, § 53a-71, and § 54-76b.
8. **Incapacitation** is a state in which someone cannot make rational, reasonable decisions due to a lack of capacity to give knowing consent (e.g., to understand the “who, what, when, where, why and how” of the sexual interaction).
 9. **Force** is the use of physical violence and/or imposing on someone physically to gain sexual access. Force also includes threats, intimidation and coercion that overcomes resistance or produces consent.
 10. **Coercion** is unreasonable pressure for sexual activity. Coercion is the use of emotional manipulation to persuade someone to do something they may not want to do, such as engaging in sex or performing certain sexual acts. Being coerced into having sex or performing sexual acts is not consenting sex and is considered sexual misconduct.

Other Forms of Misconduct

Other forms of misconduct, when gender-based, will fall under this policy. These include, but are not limited to:

- conduct that interferes with the rights of others and/or demonstrates disregard for the university community
- assisting another person in committing a violation of this policy
- personal harassment and/or verbal abuse
- the threat of physical harm, physical abuse, mental distress or injury
- actions that inflict physical harm, physical abuse, mental distress or injury
- slanderous, false or malicious statement(s) about a person or defamation of character
- endangerment of the health and safety of others
- hazing
- damage and/or vandalism to another’s property

Jurisdiction

This policy shall apply to conduct that occurs on university-owned or leased property, at university sponsored events, as well as off-campus. Each student shall be responsible for his or her conduct from the time of application for admission through the awarding of a degree, as well as during periods between terms of actual enrollment, study abroad and leaves of absence or suspension. The committee maintains the authority to adjudicate alleged violations of the Student Code of Conduct that are related to the same incident under review, though may not be directly related to gender-based conduct.

Complaint Procedures for Sexual Misconduct

ALL reports of sexual harassment and discrimination, including sexual assault, made to any university employee must be reported to the university’s Title IX coordinator or a deputy Title IX coordinator. The university Title IX coordinator is:

Terri Johnson, Associate Vice President for Operations, AB-EVP
terri.johnson@qu.edu or 203-582-8731

Also, any person who believes he or she has been subject to sexual harassment or discrimination may contact the university Title IX coordinator or a deputy Title IX coordinator directly. The Title IX coordinator ensures that complaints are handled by the appropriate deputy Title IX coordinator for investigation, possible interim measures, resolution and ensures complainants have access to medical, mental health, law enforcement and other resources that may be required.

Handling of Complaints

Quinnipiac has identified trained professionals in the Office of Student Affairs to handle these issues. Any individual who believes that she or he has been sexually assaulted or sexually harassed is encouraged to report the incident immediately to one of these officials, who will offer support and information on the process and procedures to address the incident. The immediate concerns are the student's emotional and physical well-being as well as the well-being of the university community. In all cases, the privacy of all parties is protected, as far as the process permits.

Depending upon the nature of the alleged incident, the incident may be investigated and adjudicated through the university's Title IX Grievance Process. The university also will assist students in contacting local law enforcement, medical and mental health resources as needed.

NOTE: In situations where a complaint is filed against a community member who embodies more than one status at the university (i.e., community member is a student and an employee), the university Title IX coordinator has the authority to appoint investigators (possibly from different areas of the institution) and determine the grievance process for the reported incident (student, faculty or non-faculty employee). The selected grievance process shall have the authority to make final determinations affecting all individual statuses at the university.

Confidentiality and Privacy in Reporting

When reporting a violation of this policy, there are resources that can provide confidentiality, sharing options and advice without any obligation to inform other university staff members unless requested. University confidential resources include Counseling Services, Student Health Services and/or Religious Life staff. Additionally, community members can seek out assistance from an off-campus crisis center, which can maintain confidentiality. Faculty members are not confidential resources and must contact the university Title IX coordinator or a deputy coordinator.

IX. SEX OFFENDER REGISTRY

Information about registered sex offenders is located on the state Department of Emergency Services and Public Protection website, which can be found at ct.gov/despp/.

Background checks – Section 1.5-1 of the Quinnipiac University Policy Manual describes the policy and procedures for conducting pre-employment background checks on all new administrative staff and faculty as a condition of employment.

X. TITLE IX DISCRIMINATION AND HARASSMENT POLICY

The university complies with Title IX of the Higher Education Amendment of 1972, which prohibits discrimination on the basis of sex in educational programs or activities that receive federal financial assistance, and is dedicated to fostering a healthy and safe environment in which every member of the community, including students, faculty and staff, can realize their full potential in an educational, working and living environment free from gender-based discrimination, sexual harassment, sexual assault and sexual misconduct of any kind. The university seeks to ensure that students, faculty and staff are not excluded from participation in or denied the benefits of any university program or activity on the basis of gender; for example, academic, athletic, campus life, residential life programs and all aspects of employment.

Students, faculty and staff who believe they have been subjected to or witnessed gender-based discrimination, harassment, sexual assault or sexual misconduct of any kind are encouraged to make a report, as outlined below, immediately. Faculty, administration, athletic staff, human resources, public safety and student affairs staff are considered “responsible employees” under Title IX and are required to immediately report any incidents of sexual violence they observe. The university will promptly, thoroughly and, to the extent feasible, confidentially investigate and take necessary steps to remedy the violation, including taking appropriate disciplinary action against any individual who violated this policy, and to prevent any recurrence of the underlying misconduct or retaliation for making a report.

Go to QU.edu/title-ix for more information concerning Quinnipiac University’s Title IX policy.

Role of the Department of Public Safety in Title IX Compliance Complaints

The Department of Public Safety is the university's first responder to reports of crimes on campus and provides immediate assistance to a person reporting (complainant) an act of sexual misconduct. Students are NOT REQUIRED to contact Public Safety to initiate a Title IX complaint and investigation.

Services available through the Department of Public Safety include:

- Emergency response
- Incident documentation
- Complainant support
- Referral to on-campus and off-campus resources and services

The Department of Public Safety is not itself a police department. The Department of Public Safety will inform the complainant that the local police department is the vehicle through which they may pursue a criminal investigation.

XI. STUDENT CODE OF CONDUCT PROCESS

Student Code of Conduct

All Quinnipiac students are responsible for abiding by the standards of the Quinnipiac community, and those who violate them are subject to disciplinary action. Any attempt to violate the policies and regulations of Quinnipiac is considered sufficient information for having committed the violation itself. Moreover, Quinnipiac recognizes and respects local, state and federal laws and does not provide safe haven or sanctuary for students who violate such laws.

The university may pursue enforcement of its own policies, whether or not legal proceedings are underway or forthcoming, and may use information from third-party sources, including but not limited to law enforcement agencies, the courts and outside media to determine whether Quinnipiac's policies have been violated.

Conversely, Quinnipiac makes no attempt to shield members of the university community from the law, nor does it intervene in legal proceedings against a member of the community. These standards are announced in writing to give students general notice of community standards. The standards should be read broadly and are not designed to define misconduct in exhaustive terms. The Student Code of Conduct process may review and impose sanctions on an individual or group involved in any criminal or civil offense. Violations of specifically stated policies as written in the Student Handbook, or otherwise distributed or published rules of Quinnipiac are prohibited.

The Student Code of Conduct and the Student's Procedural Rights in Student Code of Conduct Process can be found in the Quinnipiac University Student Handbook, which is published and made available to all Quinnipiac students on the Quinnipiac University website at QU.edu/studenthandbook

Quinnipiac University Employment Policies can be found in the Quinnipiac University Policy Manual, which is published and made available to all Quinnipiac University Employees by the Office of Human Resources.

XII. CLERY-IDENTIFIED CRIME DEFINITIONS

Definitions Disclosure: Under the *Clery Act*, for the purposes of counting and disclosing Criminal Offense, Hate Crime, arrest and disciplinary referral, statistics are based on definitions provided by the Federal Bureau of Investigation's (FBI's) Uniform Crime Reporting (UCR) Program. The definitions for *Murder, Rape, Robbery, Aggravated Assault, Burglary, Motor Vehicle Theft, Arson, Weapons Carrying, Possessing, Etc. Law Violations, Drug Abuse Violations, and Liquor Law Violations* are from the *Summary Reporting System (SRS) User Manual* from the FBI's UCR Program. The definitions of *Fondling, Incest and Statutory Rape* are from the FBI's *National Incident-Based Reporting System (NIBRS) Data Collection Guidelines* edition of the UCR. Hate Crimes are classified according to the FBI's *Uniform Crime Reporting Hate Crime Data Collection Guidelines and Training Manual*. Note that although the law states that institutions must use the UCR Program definitions, *Clery Act* crime reporting does not have to meet all of the other UCR Program standards.

For the categories of *Domestic Violence, Dating Violence and Stalking*, the *Clery Act* specifies that institutions must use the definitions provided by the *Violence Against Women Act of 1994* and repeated in the department's *Clery Act* regulations. *Violence Against Women Act of 1994 definitions citation 34 CFR 668.46(c)(6)(A)(i)*

There are four categories of offenses that are required by law for statistical documentation within this report. These categories are:

1. Criminal Offenses: Includes Murder, Sex Offenses and other identified serious crimes.
2. VAWA Offenses: Includes Domestic Violence, Dating Violence and Stalking Offenses
3. Arrest and Referrals for Disciplinary Action:
 - Arrest is defined as persons processed by arrest, citation or summons.
 - Referral for Disciplinary Action is defined as the referral of any person to any official who initiates a disciplinary action of which a record is established and which may result in the imposition of a sanction.
4. Hate Crimes is defined as a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim.

CRIMINAL OFFENSES

Murder and non-negligent manslaughter: The willful (non-negligent) killing of one human being by another.

Manslaughter by negligence: The killing of another person through gross negligence.

Sex Offenses: Any sexual act directed against another person, without consent of the victim, including instances in which the victim is incapable of giving consent. Sex offenses include:

- **Rape** – the penetration, no matter how slight, of the vagina or anus, with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. This offense includes the rape of both males and females.

- **Fondling** – the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances in which the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.
- **Incest** – sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
- **Statutory Rape** – sexual intercourse with a person who is under the statutory age of consent.

Robbery: Taking or attempting to take anything of value from the care, custody or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Aggravated assault: An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

Burglary: The unlawful entry of a structure to commit a felony or a theft.

Motor vehicle theft: The theft or attempted theft of a motor vehicle.

Arson: Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

VAWA OFFENSES (Violence Against Women Act)

Domestic Violence – felony or misdemeanor crime of violence committed:

- by a current or former spouse or intimate partner of the victim;
- by a person with whom the victim shares a child in common;
- by a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner;
- by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred;
- by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

Dating Violence – violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For the purposes of this definition:

- Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
- Dating violence does not include acts covered under the definition of domestic violence.

CONNECTICUT FAMILY VIOLENCE LAW

Connecticut Domestic Violence and Dating Violence Laws are commonly referred to as Family Violence Laws and apply to victims regardless of their age, gender, economic status, race, ethnicity, religion, sexual orientation, education or immigration status.

- Family violence: “means an incident resulting in physical harm, bodily injury or assault, or an act of threatened violence that constitutes fear of imminent physical harm, bodily injury or assault, including, but not limited to, stalking or a pattern of threatening, between family or household members. Verbal abuse or argument shall not constitute family violence unless there is present danger and the likelihood that physical violence will occur.” Conn. Gen. Stat. § 46b-38a (1) (2015).
- Family or household member: “means any of the following persons, regardless of the age of such person: (A) Spouses or former spouses; (B) parents or their children; (C) persons related by blood or marriage; (D) persons other than those persons described in subparagraph (C) of this subdivision presently residing together or who have resided together; (E) persons who have a child in common regardless of whether they are or have been married or have lived together at any time; and (F) persons in, or who have recently been in, a dating relationship.” Conn. Gen. Stat. § 46b-38a (2) (2015).
- Family violence crime: “means a crime as defined in section 53a-24, other than a delinquent act as defined in section 46b-120, which, in addition to its other elements, contains as an element thereof an act of family violence to a family or household member. ‘Family violence crime’ does not include acts by parents or guardians disciplining minor children unless such acts constitute abuse.” Conn. Gen. Stat. § 46b-38a (3) (2015).
- Restraining orders vs. protective order: “Restraining orders differ from protective orders in that the former are civil and can be issued without the accused person being arrested. Protective orders in a family violence situation are criminal and are issued after the accused has been arrested for committing a family violence crime.”

Stalking is defined as engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

- fear for the person’s safety or the safety of others; or
- suffer substantial emotional distress.

For the purposes of this definition—

Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly or through third parties, by any action, method, device or means, follows or monitors a person, or interferes with a person’s property.

Substantial emotional distress refers to significant mental suffering or anguish that may, but does not necessarily require medical or other professional treatment or counseling.

Connecticut Stalking Laws – Reference Connecticut General Statutes (C.G.S.):

- C.G.S. § 53a-181c – Stalking in the first degree: Class D felony
- C.G.S. § 53a-181d – Stalking in the second degree: Class A misdemeanor
- C.G.S. § 53a-181e – Stalking in the third degree: Class B misdemeanor

ARRESTS AND REFERRALS FOR DISCIPLINARY ACTION

Liquor law violations: The violation of state or local laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession or use of alcoholic beverages, not including driving under the influence and drunkenness.

Drug abuse violations: The violation of laws prohibiting the production, distribution and/or use of certain controlled substances and the equipment or devices utilized in their preparation and/or use. The unlawful cultivation, manufacture, distribution, sale, purchase, use, possession, transportation or importation of any controlled drug or narcotic substance. Arrests for violations of state and local laws, specifically those relating to the unlawful possession, sale, use, growing, manufacturing and making of narcotic drugs.

*Connecticut Law imposes a fine under for the possession of less than ½ ounce of marijuana and recognizes this offense in the CT Criminal General Statutes under CGS § 21a-279a

Weapons violation: The violation of laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, concealment or use of firearms, cutting instruments, explosives, incendiary devices or other dangerous weapons. This classification encompasses weapons offenses that are regulatory in nature. [Possession of dangerous weapons such as knives, firearms, explosives, incendiary devices or other felonious weapons defined as violations in Connecticut General Statutes Sec. 53a-3.]

HATE CRIMES

Hate crime: A criminal offense committed against a person or property that is motivated, in whole or in part, by the offender's bias. Bias is a preformed negative opinion or attitude toward a group of persons based on their race, religion, sexual orientation, gender, gender identity, ethnicity, national origin, or disability.

All Clery-Identified Crimes are documented in this report as Hate Crimes if the crime was motivated by bias. In addition, the following crimes are documented only as Hate Crimes if they are motivated by bias.

Larceny-Theft: The unlawful taking, carrying, leading or riding away of property from the possession or constructive possession of another.

Simple Assault: An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

Intimidation: To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

Destruction/Damage/Vandalism of Property: To willfully or maliciously destroy, damage, deface or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.

XIII. FIRE SAFETY REPORT

Higher Education Opportunity Act - HEOA (Public Law 110-315):

On Aug. 14, 2008, the Higher Education Opportunity Act (Public Law 110-315) reauthorized and expanded the Higher Education Act of 1965, as amended. HEOA amended the Clery Act and created additional safety- and security-related requirements for institutions. Specifically, it added fire safety reporting requirements for institutions with on-campus student housing facilities.

In compliance with appropriate provisions of federal law, Quinnipiac University is required to make reports available to the university community and to prospective students and their parents pertaining to fire safety. Institutions maintaining on-campus student housing facilities must collect fire statistics, publish an Annual Fire Safety Report and keep a Fire Log. This Annual Security and Fire Safety Report (ASR) can be found on the website at: (QU.edu/student-handbook).

Annual Fire Safety Report – HEOA Directive:

The Annual Fire Report (located within the ASR) contains per the directive:

- Fire statistics listed for each on-campus student housing facility separately.
- Description of the fire safety system(s) for each on-campus student housing facility.
- The number of fire drills held the previous calendar year.
- Institutional policies or rules on portable electrical appliances, smoking and open flames in student housing facilities.
- Procedures for student housing evacuation.
- Policies for fire safety education and training programs for students, staff and faculty.
- A list of the titles of each person or organization to which individuals should report that a fire has occurred.
- Plans for future improvements in fire safety, if determined necessary by the institution.

Definitions:

Fire: For the purposes of fire safety reporting, a fire is “any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.”

Arson: Any willful or malicious burning to attempt to burn—with or without intent to defraud—a dwelling house, public building, motor vehicle or aircraft, or personal property of another. All instances of arson are Clery Act-reportable crimes. Therefore, any fire that is determined to be arson must be reported both as a fire statistic and as a crime statistic.

On-Campus Student Housing Facility: For purposes of the Clery Act regulations, “any student housing facility that is owned or controlled by the institution, or is located on property that is owned or controlled by the institution, and is within the reasonably contiguous geographic area that makes up the campus is considered an on-campus student housing facility.”

Fire Safety System: The Higher Education Opportunity Act defines a fire safety system as “any mechanism or system related to the detection of a fire, the warning resulting from a fire, or the control of a fire. This may include sprinkler systems or other fire extinguishing systems, fire detection devices, stand-alone smoke alarms, devices that alert one to the presence of a fire, such

as horns, bells or strobe lights; smoke-control and reduction mechanisms; and fire doors and walls that reduce the spread of a fire.”

Fire Log: The HEOA directive requires an institution with on-campus student housing to maintain a log of all fires that occur in on-campus student housing. This fire log must include the date, time, nature of the fire and location of the fire. Additions to the log must be made within two business days. The log must be available for public inspection for the most recent 60-day period. Log entries greater than 60 days must be available within two business days. The Fire Log must be kept for three (3) years following the publication of the last annual report to which it applies (in effect seven years).

Fire Safety Report: The statistics gathered for the present year and past two years are compiled and reported in the Annual Security and Fire Safety Report (ASR) to be published on October 1 of each year. The Fire Safety Report will contain statistics concerning the number of fires in the institution’s on-campus student housing, the cause of each fire, the number of injuries and deaths as a result of each fire and the amount of property damage caused by each fire, if applicable. To view the Fire Log, contact Public Safety at 203-582-6200. This report can be found on the Department of Public Safety website at: (QU.edu/student-handbook).

Student Housing/Residence Hall Policies

Residence Halls

All residence halls are fully equipped with sprinklers and networked fire alarm systems, which are connected to central monitoring located in Public Safety. The detectors and fire pull stations activate horns and strobe lights. All smoke detectors in residential halls are addressable, meaning the issue detected can be traced to a specific location. The fire detection, alarms and sprinkler systems are connected to back-up power so they are functional during a power outage.

Resident students assume responsibility for the use and general care of their room and its furnishings. Members of the Residential Life staff and the Department of Facilities inspect all rooms on a regular basis, including during each vacation period, for health, safety, damage, fire code and security reasons. Violations may result in a monetary fine and/or disciplinary action.

Fire, Health and Safety

Student’s using Quinnipiac University and non-university owned spaces must adhere to any safety standards outlined by the university and/or off campus venues as defined by the Student Handbook.

- The possession and/or use of firearms, weapons, explosive or incendiary devices of any kind within Quinnipiac confines and premises are prohibited.
- Candles, incense and other open-flame devices within Quinnipiac University confines or individual rooms are prohibited.
- Tampering, damaging or removing fire and or safety equipment is prohibited.
- Intentionally sounding (pulling) a false alarm, making a false emergency call, attempting to ignite and/or igniting a substance on fire, issuing a bomb threat, constructing mock explosive devices, or tampering with, destroying and/or possession of fire equipment, emergency signs and sprinklers is prohibited.
- Intentionally activating, tampering, damaging or removing fire and or safety equipment action is considered to be in violation of state and local ordinances. Abuse of fire safety

systems may result in the levying of financial damages, immediate eviction and/or indefinite restriction from university residence.

- Painting residence hall rooms and/or university-owned residences is prohibited.
- Removing window screens from any window is prohibited.

The residents of an entire building may be billed for common area damages (false alarms) when the responsible party/parties are unknown.

- Fire alarm pull stations, fire extinguisher cabinets, smoke detectors and exit signs must not be covered and exits must remain free from obstruction at all times. Even temporary obstruction of such items is prohibited.
- Safety inspections will be conducted by Residential Life staff and the Department of Facilities each semester to determine compliance with safety regulations. Restricted items may be removed during such inspections.

Prohibited items, including but are not limited to the following as deemed appropriate:

- alcohol or drug paraphernalia
- bars and bar-like structures
- collections and/or displays of alcohol containers
- hot plates, toasters, toaster ovens, coffee makers (except certain single-cup coffee makers), coil type burners and indoor grills.
- non-university approved air-conditioning units
- tapestries covering ceiling or light fixtures, ceiling fans or other items hanging from the ceilings
- overloaded electrical outlets
- candles, incense and other open-flame devices
- grill units and propane gas tanks
- fireworks, guns, weapons and explosives
- darts, dartboards and slingshots
- halogen lamps
- pools and tent-like structures
- live Christmas trees
- string lights
- smoke and fog machines
- flammable objects and/or substances
- hookah pipes or equipment
- non-university-owned lofts

Students living at the Hill, Complex, Quinnipiac off-campus properties and the York Hill Campus are permitted to have toasters and coffee makers in the kitchen area only.

Security and Safety Regulations for All Students and Guests

- Building doors should never be propped open or blocked, to avoid problems and prevent unauthorized visitors from entering the building.
- All students and guests must stop and register at guard stations on the perimeter of the campus. Students should carry their QCard at all times.
- Acts of vandalism should be reported to the Department of Public Safety immediately by dialing 911 in an emergency or 203-582-6200 for non-emergency.
- All fire safety regulations must be observed. In the case of a fire alarm, all occupants must evacuate the building and may not re-enter it until the “all-clear” is given by the responding Fire Department or Quinnipiac’s Department of Public Safety.

Policy Statement on Smoking

Quinnipiac University has a smoke-free policy. Specifically this means that smoking is not permitted in any Quinnipiac University building. In addition, the entire North Haven Campus is tobacco free. Faculty, staff, students and visitors are expected to honor this policy.

Rental Properties

Quinnipiac University owns a number of rental houses. They are not maintained by the Quinnipiac University Facilities Department, but are managed by property management companies and overseen by the director of business operations. They are included in this report due to the potential for Quinnipiac University students renting apartments from the property management company. Each of the rental units is equipped with smoke detectors, as well as common areas in each building. The smoke detectors in the rental properties are not connected to Public Safety and may not tied into a central monitoring system.

Emergency Notifications

Quinnipiac University's Broadcast Alert System permits the simultaneous distribution of wireless broadcast emails, text messages and voice calls (including voicemails for calls unanswered). The system is used to distribute emergency notifications without delay in situations where a clear and active (e.g., in progress) threat or emergency exists that impacts the community and where it is recommended that the recipients take some form of action in response to the active threat or emergency. The Broadcast Alert System is tested twice a year at the beginning of each semester. All members of the university community are reminded to register for the university mobile wireless alert system by going to "My Q" (myq.quinnipiac.edu) and clicking on "QU Emergency Text Alerts".

Important Phone Numbers for Emergencies

| Division | Number |
|---|--------------|
| Emergency | 911 |
| Ambulance | 911 |
| Hamden Fire Department (emergency) | 911 |
| North Haven Fire Department (emergency) | 911 |
| Hamden Police Department (routine) | 203-230-4000 |
| North Haven Police Department (routine) | 203-239-5321 |
| Public Safety routine | 203-582-6200 |
| Quinnipiac Health & Wellness Center | 203-582-8742 |

The emergency call number for Quinnipiac University is 911.

Fire Prevention:

It is the responsibility of every resident to protect himself/herself as well as fellow residents.

Covering and/or tampering with a smoke detector endangers not only your life, but also the lives of everyone in the residence hall. Time is a crucial element when responding to a fire, and covering or tampering with fire safety equipment can significantly impact a professional response.

Quinnipiac University performs fire drills in residence halls and campus buildings. Drills are conducted by staff members from the Office of Residential Life, Public Safety and Facilities. During each drill, evacuation procedures are practiced and building fire alarm systems are tested.

All staff must be familiar with the location and proper use of all fire and safety equipment in their building, including alarm systems, emergency telephones, fire doors and exits and evacuation routes. Fire extinguishers should only be used by trained personnel. Do NOT use elevators. If the fire involves the control panel of the elevator or the electrical system of the building, power in the building may be cut and you could be trapped between floors. Also, the elevator shaft can become a flue, lending itself to the passage and accumulation of hot gases and smoke generated by the fire.

Outside gathering locations are away from building entries to permit unobstructed entry by emergency personnel. Residents and staff are made aware of the gathering spot and appropriate evacuation routes, and floor plans are posted throughout campus. People should be reminded to wear appropriate outdoor clothing when evacuating buildings. During inclement weather, alternative gathering places will be chosen based on the building being evacuated. Those locations will be communicated by Public Safety and key personnel.

The senior staff person on the scene should meet the responding Public Safety and/or fire officer and:

- Identify self and staff position.
- Inform emergency personnel of any known remaining occupants and pertinent information (whether someone is wheelchair-bound, ill, etc.)
- Provide building information as appropriate or requested (location of fire, activated alarm, annunciator panel).

Building fire alarms are hard wired to the central monitoring station and should receive immediate response from Public Safety. If emergency personnel are not on the scene when you reach the outside, use the closest available telephone or emergency telephone to notify Public Safety of the alarm.

If an emergency exists, telephone Public Safety after activating the building fire alarm system, via a pull station and evacuating the building.

Fire or Explosion

Upon ascertaining that a fire or explosion emergency exists, all students, faculty and staff shall immediately vacate the building. Fire alarms should be pulled on the way out the door. If it is safe to do so, provide help to anyone needing assistance. Do NOT use elevators during a fire emergency. The responding fire department shall be immediately notified of the location of any persons seeking refuge in the stairwells or still inside their work space. Faculty, resident assistants and first-line supervisors are responsible for accounting for all personnel under their control at the time and communicating that information to the incident commander on the scene.

In the event of a fire or explosion on campus:

- activate the fire alarm system by pulling the alarm (located at all exits)
- evacuate the building immediately in a safe and orderly manner
- get low to the ground and crawl to the safest exit if confronted with heavy smoke
- know your building and have a primary and secondary escape route in mind
 - follow exit signs
 - use stairs instead of elevators
 - do not turn off lights or equipment
 - do not touch or move anything suspicious
- evacuate to a location away from the building to allow emergency personnel to respond
- Alert authorities with any information you may have about the incident, only after you have reached a designated “safe area.”
- do not return until “all-clear” is issued by emergency officials

If there is smoke and/or fire evident, sound the alarm by pulling a fire alarm pull station. This will notify Public Safety and will sound the evacuation horns in the building. If you have more detailed information (i.e., exact location of the fire, what is burning and how large the fire is), use the outside call box to call Public Safety and advise them as soon as possible.

All occupants must evacuate immediately when a building fire alarm sounds and must not re-enter until the “all-clear” is given by Public Safety.

Evacuate the building using the most expedient and safe route. Once outside, proceed to the designated gathering spot. Staff should ascertain if anyone is known to still be inside the building.

Campus notification of fire or emergency

For situations in which Quinnipiac University is forced to evacuate the campus, Public Safety will notify the public that campus is closed and that traffic will not be allowed to enter. This notification will be made through Quinnipiac University’s Broadcast Alert System and QU.edu — the university website.

Emergency Personnel

Once a building fire alarm has sounded, the following seniority exists until an “all-clear” is issued:

- Fire department
- Local police department
- Public Safety Department
- Administrator-“on-call” or department head
- Residential / building staff

NEVER argue with a fire, police or Public Safety officer. Disagreements or questions should be brought to the director of residential life after the incident.

All-Clear

Building occupants may re-enter only upon the instructions of the responding fire department or Public Safety. Staff may not enter the building nor authorize entry until after receiving an “all-clear” from the Public Safety officer on the scene. In the absence of identified staff, the Public

Safety officer will notify people directly that the building may be entered. The departure of all emergency personnel from the scene will be considered an “all-clear.”

Alarm Reset

Activated alarms must be reset or replaced to assure a proper warning system for occupants. In most instances, the reset will be accomplished by the emergency personnel prior to issuing the “all-clear.” If the alarm system cannot be made operational by the personnel on the scene, Public Safety will summon appropriate personnel to restore the system to active status. The Public Safety shift supervisor is responsible for monitoring the status of campus alarm systems and will determine whether a safe or unsafe condition exists. If an unsafe condition exists due to the lack of a properly operating alarm system, the shift supervisor will post a security officer on a fire watch and will report the problem to facilities. The public safety officer will remain on fire watch until a member of facilities can arrange for the alarm to be put back in service.

Persons Needing Assistance

Individuals with disabilities needing assistance should be informed of evacuation procedures and routes for all areas of campus and should know to call Public Safety immediately for assistance. In all instances, evacuation routes should be horizontal (i.e., traveling on the same floor level and passing from one building to another), where possible. If horizontal evacuation is not available, consider heading for the nearest enclosed stairwell landing away from any obvious danger and notify Public Safety of the exact location of the stairwell. The responding officer may have additional recommendations to ensure your safety. Once at the stairwell, wait for the majority of traffic to pass before entering the stairwell. Enter the landing and wait for Public Safety or the fire department to assist you. If these areas are not available or practical, find a “refuge area” where you can inform Public Safety and safely wait. The “refuge area” should be a room of well-constructed walls of masonry or sheet rock that go from floor to slab; no open holes in walls to the room to the corridor; tight fitting doors; outside windows; a working telephone; no flammable liquids or chemicals storage. If a phone is unavailable, try signaling help from a window or pulling another fire alarm. The fire panels can be checked by the Fire Department to determine the location of pulled alarms. This can be used to help find individuals with disabilities.

Special Care of Handicapped/Mobility-Challenged Students

The Quinnipiac University community is composed of a large and diverse student population that is spread out across three separate campuses in two different towns. In each class of undergraduates, it is likely that one or more of the students will have special needs due to mobility or illness issues. Public Safety will work with the Office of Residential Life to identify such persons and set special policies and procedures to safeguard them in times of emergency on campus. Once identified, the members of the Quinnipiac University community needing special assistance in times of emergency situations will be sought out and taken care of by on-duty Public Safety staff.

The Office of Residential Life will advise the Emergency Management Team about these individuals and the special circumstances of each to allow the Emergency Management Team to work together to safeguard them at all times of emergency circumstances on campus.

Fire Safety Education

Fire safety training is required for all resident assistants and residence hall directors. Training is provided by Public Safety and Residential Life personnel prior to the fall semester. The training is incorporated into mandatory orientation and may include:

- Live fire demonstration (facsimile of a dormitory room burning)

- Practical (hands-on) training with portable fire extinguishers
- Presentation (one-hour) in dormitory room/corridors/stairs/common area inspection

Procedures:

- Overview of prohibited electrical appliances
- Fire safety violations and monetary fine system
- Overview of prohibited decorations
- Overview of building fire safety systems (sprinklers/fire alarm)
- Practical fire safety inspection procedures and the reporting process
- Evacuation procedures
- Nightly building inspection procedures and reporting process

Fire Statistics

Statistics will be collected and reported in both the Annual Fire Safety Report and the U.S. Department of Education's web-based data collection system. Fire statistics for each on-campus student housing facility must be reported. The report will include the number of fires, the cause of each fire, the number of injuries and deaths as a result of each fire, and the amount of property damage caused by each fire, if applicable. Categories to classify fires to be used are as follows:

- Unintentional Fire:
 - Cooking
 - Smoking materials
 - Open flames
 - Electrical
 - Heating equipment
 - Hazardous products
 - Machinery/industrial
 - Natural
 - Other
- Intentional fire/arson
- Undetermined fire
- Number of deaths related to the fire
- Number of inquiries related to the fire resulting in treatment at a medical facility
- The value of property damage related to the fire

XV. QUINNIPIAC UNIVERSITY UNIFORM CAMPUS CRIME REPORT

In accordance with Connecticut General Statute Section 10a-55 and Public Law 101-542, as amended, each institution of higher education within the state is required to annually prepare a Uniform Campus Crime Report (UCCR), consistent with the FBI's Uniform Crime Reporting system (UCR). The report is to reflect the crime statistics on the property of the institution for the preceding calendar year.

Geography of crime categories

ON-CAMPUS — any building or property owned or controlled by an institution of higher education within the same reasonably contiguous geographic area of the institution and used by the institution in direct support of, or in a manner related to, the institution's educational purposes, including residence halls; and a) property within the same reasonably contiguous geographic area of the institution that is owned by the institution but is controlled by another person, b) is frequently used by students, and c) supports institutional purposes (such as food or other retail vendor).

STUDENT RESIDENCES — is a subset of "on-campus" crimes, which includes only those crimes that were reported to have occurred in dormitories or other residential facilities for students, on campus.

NON-CAMPUS BUILDINGS OR PROPERTY — is defined as any building or property owned or controlled by a student organization *officially* recognized by the institution **and** any building or property (other than a branch campus) owned or controlled by an institution of higher education that

- a. is used in direct support of, or in relation to, the institution's educational purposes,
- b. is *frequently* used by students, and
- c. is not within the same reasonably contiguous geographic area of the institution.

PUBLIC PROPERTY — is defined as all public property (including thoroughfares, streets, sidewalks and parking facilities) that is within the campus, or immediately adjacent to and accessible from the campus.

CRIME STATISTICS REPORTING

Crime statistics are accumulated from several different areas. (1) Data entered into a CAD (Computer Aided Dispatch) system throughout the year for reports made to and investigated by Quinnipiac University Department of Public Safety. (2) Local law enforcement with jurisdiction in the area of the identified geographic locations, to include the Hamden and North Haven police

departments. (3) Law enforcement entities with jurisdiction at university Non-Campus locations in other states and countries specifically where the university has a contracted or leased agreement for student housing or space as defined by the Clery Act. (4) Quinnipiac University Office of Student Affairs provides statistics for this report specific to student referrals for Sex Offenses, VAWA offenses and Liquor, Drug and Weapon offenses. (5) Clery reportable offenses as reported by a Campus Security Authorities (CSA).

CRIMES REQUIRED TO BE DISCLOSED IN ANNUAL SECURITY REPORT

The criminal offenses for which we are required to disclose statistics are murder/non-negligent manslaughter, negligent manslaughter, sex offenses (rape, statutory rape, incest, fondling), robbery, aggravated assault, domestic violence, dating violence, stalking, burglary, motor vehicle theft, arson, liquor law violations, drug abuse violations and weapons: carrying, possessing, etc.

We are also required to report statistics for bias-related (hate) crimes for the following offenses: murder/non-negligent manslaughter, negligent manslaughter, sex offenses (rape, statutory rape, incest, fondling), robbery, aggravated assault, domestic violence, dating violence, stalking, burglary, motor vehicle theft, arson, larceny-theft, vandalism, intimidation, simple assault, and damage/destruction/vandalism of property.

We are required to disclose statistics for offenses that occur on campus, in or on non-campus buildings or property owned or controlled by our school, and public property within or immediately adjacent to our campus.

Quinnipiac University has a responsibility to notify the campus community about any crimes that pose an ongoing threat to the community, and, as such, Campus Security Authorities are obligated by law to report these crimes. Campus Security Authorities are required to report crimes even if they are not sure whether an ongoing threat exists.

To achieve the maximum level of effectiveness when it comes to reporting crimes, it is important that all community members contribute to making it work. Safety and security are both personal and shared responsibilities. The university encourages all crimes—not just sexual misconduct—be reported to the Department of Public Safety. By accepting this responsibility, members of the university community foster a safe and secure academic environment.

The Daily Crime Log

The Quinnipiac University Public Safety Department maintains a log of crimes reported. The log includes all reported crimes that occurred on campus, in or on non-campus buildings or property, on public property within the campus or immediately adjacent to and accessible from the campus, and within the patrol jurisdiction of the Public Safety Department.

The Quinnipiac University crime log for the most recent 60-day period is open to public inspection, upon request, during normal business hours of 8 a.m. to 4 p.m. at the Public Safety Office. Requests for records older than 60 days should be made to the Quinnipiac University chief of public safety.

The crime log contains the following information:

- The nature of the crime
- The date the crime was reported
- The date and time it occurred
- The general location of the crime
- The disposition of the complaint, if known

The names of crime victims will be redacted for public inspection. Quinnipiac University may temporarily withhold information in some cases if there is clear and convincing evidence that the release of information would:

- Jeopardize an ongoing investigation;
- Jeopardize the safety of an individual;
- Cause a suspect to flee or evade detection; or
- Result in the destruction of evidence.

Information will be disclosed once the adverse effect is no longer likely to occur.

COMPLIANCE REQUIREMENT

Compliance requirements include distribution of the Annual Campus Security Report by October 1 of each year. Any questions pertaining to this report can be brought to the attention of the Quinnipiac University chief of public safety. A copy of the report is available for review on the Quinnipiac University Department of Public Safety page of the Quinnipiac University website at [**QU.edu/public-safety**](http://QU.edu/public-safety). Messages describing the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics, and how to access the report, are distributed annually to all faculty, staff and students. A hard copy of the report is available to anyone upon request by contacting Quinnipiac University Department of Public Safety at 203-582-6200, or stopping by the Department of Public Safety on either the Mount Carmel Campus or North Haven Campus. A public Crime Log is available for viewing at the Department of Public Safety on either the Mount Carmel Campus or North Haven Campus during normal business hours, Monday through Friday, 8:30 a.m. to 4:30 p.m.
