2738	02	T TH	9:30 AM	10:45 AM	Mount Carmel	P. Cunningham	3	This course explores the history and impact of black athletes on American sports. Emphasis will be placed on those significant figures and events that have shaped our collective memory of black athleticism. In particular, the course will highlight the ways in which black athletes have been both lionized and vilified in popular media. The course also will examine how class, gender, and sexuality have affected the black athletic experience.

2772	01	W	6:30 PM	9:10 PM	Mount Carmel	A. Obston	3	This course is designed as a learning experience in all aspects of media relations. At the conclusion of the course, you should be well-practiced in various forms of working with journalists (and the public) via multiple media. This course will give students an understanding of the priorities and expectations of various types of contemporary media, and how to successfully engage them through research-based strategies and tactics designed to reach key audiences.
